From the Principal

Commencement 2016
As we prepare for the return to classes, I hope all of our Parade families have enjoyed a pleasant and safe summer holiday. We extend a very warm welcome to all students and parents who are new to the Parade community this year. Classes resume for Year 7, 11 and 12 students at 8.35am on Friday 29 January and for Year 8, 9 and 10 students at 8.35am on Monday 1 February.

Academic Achievements – 2015
The VCE results were published on 14 December and we congratulate our Year 12 students of 2015 on their various academic achievements. Twenty four students gained an ATAR greater than 90. The VCE results produced a median study score of 31 and 7.8% of our students’ study scores are above 40.

We congratulate our 2015 Dux; Janzen Bosco (with an ATAR of 99.6), closely followed by Anthony Muleta (99.55), Josh Gilmore (98.85), Ming-En Cui (97.85) and Patrick Pollard (97.05). A full listing of these students can be found on page 4 of this Newsletter. Two of our students achieved a perfect score of 50: Anthony Muleta in Specialist Mathematics and Joshua Gilmore in English.

Congratulations also to Jeremy Marson who has been awarded the College’s Outstanding Senior VCAL Student Award for 2015.

We acknowledge the many other students, both in VCE and VCAL, who achieved their personal goals and have gained entry into their nominated tertiary course.

College Calendar
You will find the full College calendar for 2016 on the College website and we ask that you note carefully important contact occasions, such as parent-teacher nights etc, and the official term breaks. Students are expected to be present on all designated teaching days.

Buses

Kevin Bourke, Logistics and Environment Manager, has allocated students to the various College bus services. Minor alterations have been made to some bus routes and all involved in this have been advised. All students using services to or from the College direct must have a current College bus pass and/or MYKI card.

Traffic and Parking

Traffic will be very heavy on the College property on the first few days of school both morning and afternoon. If you wish to drop off your son, please come early. Parents who wish to park should do so only in designated car parks, well off the roadways, and to cooperate with instructions from College parking officials. Drivers need to be attentive to students crossing the roadway and to give way at designated crossings.
**Newsletter**

This Newsletter is our major means of communication with parents so please ensure that you take the time to read it. We produce the Newsletter every second week; normally sent electronically. Parents are urged to ensure that we have their current preferred email address to receive the Newsletter. Please advise reception immediately of any change of residential or email addresses and phone numbers.

The Newsletter is always available on the College website. Hard copies are available for collection at Reception on both campuses for anyone unable to access the Newsletter electronically.

We wish all our students a very successful and fulfilling year in 2016.

**Year 7 Families and New Families to Parade College in 2016**

**Parent Portal**

Year 7 2016 and new families to Parade College will be receiving a letter with individual usernames and passwords this week to access the Parental Portal. Instructions on accessing the Portal will be also be included.

**CareMonkey – The Health Care System at the College**

An email will be sent to parents of Year 7 2016 students and new families shortly regarding the set up of your CareMonkey profile for your child.

CareMonkey is an innovative parent controlled electronic medical form for schools that have a duty of care responsibility. It is an electronic version of the paper based forms that you have previously been required to fill in for excursions and camps etc. It also provides parents with the opportunity to update medical information promptly and accurately while providing the school with instant access to the emergency information provided by you. When advised to do so please create your CareMonkey profile for your son and share this information with the College. We will then have access to the data that you have entered and we will use this system to have access to student medical information when attending camps and excursions. All excursion permission letters will then be emailed to parents/guardians using this system. You will be able to grant approval for your son to attend these activities.

*Parents of Year 8 to 12 students* who have still not created their CareMonkey profile are required to create their profile for their son as soon as possible as this system will be fully operational from the beginning of the 2016 school year.

Welcome to Parade College for 2016
A very warm welcome to families joining the Parade and the Edmund Rice community for the first time. Our aim is to provide experiences at Parade which allow your sons to discover and develop their interests and talents, to embrace the many varied opportunities life at the College offers, and to grow into thoughtful young men, ready to take their place in the communities they then move into once they have completed their education with us. At the same time, we look forward to the contribution that your son will make to the College in his time with us.

Year 7 2016 Families
Our largest, newest group of Paradians enjoyed their Orientation Day in December last year, and we were delighted to meet them. We hope that their first day as Paradians on Friday 29 January is equally as exciting for them. Below are a few reminders for our Year 7 2016 students:

All Year 7 2016 Students – Friday 29 January
☑ Remember to make sure your son knows where to find you if you are picking him up at the end of his first day.
☑ Make sure your son has his College padlock and Student Planner with him on his first day for his locker.
☑ Your son should be dressed in his Summer College uniform. He can choose to wear his blazer to and from school in Terms 1 and 4 – it is not compulsory in those terms. However, he will need to have it and his College tie at school for Photo Day on Thursday 4 February.
☑ Please make sure that your son’s school shoes are made of hard, black, polishable leather – please see the next page for details as to the correct shoes to purchase.
☑ Your son will need to bring his lunch and snacks to school on Friday. The Canteens will be open if he prefers to buy his lunch – an icy pole and drink will be provided at lunch time as a special treat.
☑ Buses will be running in the morning and the afternoon on 29 January – make sure you have a back-up plan in place in case your son misses his bus at some stage during the year!

PRESTON YEAR 7 STUDENTS
Your son should bring his pencil case, an exercise book AND HIS IPAD with him to school on Friday January 29. He can also bring along any of the stationery materials you have purchased.

BUNDOORA YEAR 7 STUDENTS
Your son should bring his pencil case, and an exercise book with him to school on Friday January 29. He can also bring along any of the stationery materials you have purchased.
On Monday 1 February, he should have his iPad at school, as he will be connected to the College network in the first three days of the first full week of school.

Year 7 2016 Liturgy
At 2.30pm on Friday 29 January, the Year 7 and Year 12 students at both Campuses will celebrate a Liturgy together, to welcome our newest Paradians, and to begin the process of handing on the traditions of our College.

Year 7 parents are very welcome to join the boys and staff for this in College Hall at Bundoora or in the MacKillop Centre at Preston. The Liturgy will conclude around 3.00pm, and the students will be free to go home with parents then.
And welcome back to our continuing families and students for 2016

Some reminders appear on the next page for the first week back for 2016. We hope it is a productive year for your sons, academically and personally.

Uniform

☑️ Please check that your son has the correct summer shirt ready to go for Day 1.
☑️ If your son chooses to wear a singlet under his shirt, please make sure that it is plain WHITE – no logos, prints or colours.
☑️ Grey Shorts or trousers can be worn in Term 1 – dress shorts only – no elastic or drawstring waists please!
☑️ Jumpers and blazers go together to and from school! If your son wishes to wear his jumper to and from school, he must wear his blazer as well!
☑️ Grey Marle Walk socks with black, hard, polishable leather shoes – no canvas shoes, or black leather ‘basketball style’ shoes. No BLACK socks allowed
☑️ Leave all jewellery at home – no earrings, pierced jewellery, necklaces, rings, bracelets, friendship bands, sports bands, or other bands to be worn. If it is precious or important in any way to your sons it is safer at home, away from possible accidental damage or loss.
☐ Hair should be neat, clean and in a business-like style – eg; no dreadlocks, braids, mohawks, etc. Hair length should not below the collar of the summer shirt.
☑️ If your son is shaving, please make sure that he is clean-shaven for school each day.

NB: All students in Years 7 to 12 at both campuses MUST wear College uniform to school on Thursday 4 February for College photos AND bring their blazers and ties with them.

VCAL and VCE students may wear the Senior Tie for these photos. They can be purchased for $27 at the Uniform Shops at both campuses.

College Bus Network

- Students are not allowed to eat or drink on any of the buses to and from school;
- They are required to stay in their seats to and from school, and wear the seat belts where these are provided;
- Throwing any kind of material inside or outside the bus is a serious offence and will be treated as such;
- Noise levels should be kept to a reasonable level to allow bus drivers to concentrate on the task of getting students safely to their destinations.

Public Transport

We expect all students to behave with courtesy and respect towards drivers and other passengers when using any form of public transport to and from school, and on excursions.
Plenty Road and Bell Street

For students’ safety, we require all boys who need to cross Plenty Road or Bell Street, for any reason, to do so at the lights on the marked pedestrian crossings. The traffic lights at the entrance to the Bundoora Campus do not mark a pedestrian crossing and students should not attempt to cross Plenty Road at that point.

Bundoora Parents, please do not ask your son to meet you in the Hungry Jack’s Carpark, or drop him off there in the morning – the boys will always take the shortest way across the road, and there is no designated crossing from that point across Plenty Road.

We would ask that parents emphasise this point with their sons, so that students can remain safe as they cross two very busy roadways. We also expect students to obey traffic signals, teacher directions and instructions given by crossing supervisors.

Miss Regina Rowan
Assistant Principal - Student Welfare

The same session, covering the same content, will be offered on the two dates listed below. Parents/guardians are invited to attend one of the sessions. The workshops are designed to enable parents to develop a basic understanding of the iPad and some skills on how to manage its use in the home environment. The sessions will be running at both campuses from 7.30pm to 8.30pm and you are welcome to come to either campus session.

Dates:  
Tuesday 16 February (Preston)

Select the date you wish to attend and then take up one of the places available. If no places are available please try the other date.

VCE 2016 Information Evening - Tuesday 9 February  
For Parents of Students currently in Years 10,11 & 12

Parents of students currently in Years 11 and 12, and accelerating Year 10 students, are warmly invited to attend the VCE Information Evening which will provide an opportunity to be fully informed about your son’s requirements and expectations as they commence their studies in 2016. This evening is for parents only and will provide an opportunity to learn about the specifics of the VCE. Your son’s prospects for a rewarding and effective education at Parade College are greater when we can all work together to support his learning and personal development. To that end, we strongly encourage parents who are new to having a child enter the VCE to attend.

Student Pick Up Zones are located at Naughtin Terrace & Callan Court at the rear of the College buildings….follow the signs

Possible options:

◆ Avoid driveway congestion, collect your child from Edmund Rice Park, beside ERC building, accessible from Milton Parade, off Plenty Rd or Cameron Parade. Refer to Melway Maps 9 and 10, OR

◆ For Lynch House students, travel via the main driveway, to the rear of the property to collect your son from the Naughtin Terrace precinct, OR

◆ For Bodkin, Hughes or Treacy House students, travel via the main driveway, to the rear of the property to collect your son from Callan Court precinct, OR

◆ For Edmund Rice Trade Training Centre students, travel via the main driveway to the rear of the property to collect your son from Callan Court precinct

Buses have priority at all times whilst on College property

◆ Comply with all speed zones and traffic management signage and

◆ Follow directions by traffic marshals and/or parking attendants

From The Old Paradians

Guy Rodrigues, a long-serving and dedicated servant of the Old Paradians’ Association Amateur Football Club, and father to former Paradians Garnet (1980) and Gavin (1986), died recently at the age of 80.

The name Guy Rodrigues has been synonymous with Parade for more than 40 years – a remarkable feat considering this extremely popular figure became part of the Parade community just four years after his arrival in this country from India with his young family.

Since then, Guy’s contributions have extended into the Parade community in a number of ways including the Old Paradians’ Association in the earlier years.

Some would argue there was an omen in Guy arriving in Australia in 1968 as it was the first year the OPAAFC took out the senior, reserve and under 19 premierships.

For years, Guy has committed his energies with little fuss or fanfare to both Parade College and the Old Paradians’ Association Amateur Football Club.

Though he never attended the College, Guy was recognised as an Honorary Old Paradian in 2014, an award he shares with close friends Maurie Considine and Keith Sharkie with whom he is pictured.

This year, he was front and centre in the winners’ circle at Craigieburn when the Old Paradians’ Association Amateur Football Club senior team landed the D Section Premiership – the club’s first in almost 30 years.

Guy’s passing follows the recent death of Phil McLaughlin, the captain of the club’s Team of the Century and generally considered the greatest Old Paradian footballer ever to represent the club.

The deepest sympathies of the Parade community are with all members of the Rodrigues family at this time.

An old teammate remembers the late Phillip McLaughlin

“Among the pantheon of great Old Paradian and VAFA footballers in my view there is no-one better than Phil McLaughlin. His exemplary record speaks for itself. To run onto the playing field at the Old Scotch oval or other grounds, wearing the O.P. Guernsey, next to Phil, was a priceless privilege.”

Pictured bottom right of previous page are members of the Old Paradians’ VAFA ‘B’ Grade Premiership team of 1958. Phil McLaughlin can be seen nursing the football, with Brian Hill to his right and Geoff Borrack to his left.

Standing from left to right is John Booth, coach Maurie Considine and Kevin Rickard AM, the author of this tribute.

To read Kevin’s tribute in totality, go to www.oldparadians.com.au

Presidents partner for frontline conservation

Pictured here with former US President Bill Clinton is Sean Willmore (1990) - surely the best networker of any Old Paradian out of the Bundoora campus.

A global champion for frontline conservation, Sean, as President of the International Ranger Federation and founder of The Thin Green Line Foundation, recently met President Clinton “to highlight the critical work being done by our Rangers on the frontline of conservation around the world”.

“It’s important that the rangers sacrifice, struggle and success is heard at the highest levels, so they too can be spokes-people for rangers and conservation. We spoke of the current poaching situation and the need to get more support to rangers the world over,” said Sean through the foundation.

“I also presented President Clinton with one of our snare wire bracelets, as a symbol of the 180 degree change needed.”

The snare wire is removed by rangers from a park in Zambia, before it could trap an animal, then given to the local ladies who turn it into amazing jewellery, and the profits are shared 50/50 with the anti-poaching work and the ladies.

“He agreed it was the perfect symbol of why we were gathered at Clinton Global Initiative. I took it off my wrist and placed it on his – ‘a perfect fit’ he said, then ‘let’s get some support for those rangers’. We shook hands once more and then he shook everyone else’s hand wearing that bracelet.

Sean added that whilst he was unaware of what might come of this initiative, “I do know that we have to take every opportunity, and do everything in our power to gather more allies to protect nature and its protectors, the rangers”.

“A heartfelt thank you to all of you who do make the effort and sacrifice to support us - please spread the word so we can do even more,” Sean said.

If you’re interested in supporting Sean’s cause, bracelets can be ordered via http://www.thingreenline.org.au/product/mulberry-mongoose-bracelets-snare-collection/
