From the Principal

As we approach the end of November, we are closer to Advent, the season in which Christians wait and prepare for the celebration that commemorates the birth of Jesus Christ.

Waiting is not the strong suit of many of us in our hurry-up culture. Everything is urgent. Hope is foreign to people who expect quick relief, cures, and solutions. We struggle to guard Advent jealously because popular culture short-circuits this season of hope. We are tempted to go directly to celebrating Christmas without getting in touch with the part of ourselves that is longing, hoping, and trusting.

Br Denis is also in this time of waiting: recuperating from hip and heart surgery. He would dearly love this healing time to end, so he can return to Parade College. But he trusts that he is in God’s healing hands and knows that it will take time. He continues to appreciate the Parade community’s thoughts and prayers.

Our Year 10, 11 and 12 students have completed their exams. This week the Years 8 and 9 students are completing their examinations and details have been issued about their camp/activities program for next week.

Friday 23 November is a student-free day for all students, except for Year 10 (Work Experience) and 11 students (Year 12 Headstart Camp).

The timetable for 2019 classes is being completed in readiness for the “Headstart” program next week (2019 VCE students) and continues for all students in the week beginning Monday 3 December.

On Friday evening the Graduation Formal takes place as the final farewell to the out-going Year 12 students.

The finals of the ACC fixtured games of Tennis, Cricket and Volleyball are being played this week and we acknowledge the efforts of coaches and teams in another very successful season of good sportsmanship.

A reminder that the final part of the orientation program for the new Year 7 students for 2019 will take place on Monday 10 December.

Classes finish for all students for the summer break at 3.15pm on Friday 7 December.

2019 College laptop allocation for Years 7 and 10 students

Parents will be aware of the College’s transition from iPad to laptops for Years 7 and 10 students. In support of students and their families, the College will supply each 2019 Year 7 and Year 10 student with a College laptop device for their individual use at the commencement of 2019.

This fully supported program will allow our students to continue their learning and advancement with an individual laptop device and will conclude our rollout to one-to-one laptop devices and finalise our iPad program. The costs of the device will be offset through a subsidised Levy over the three-year period of the device.

Please note the College does not make available fully supported BYOD programs.

More information will be provided to incoming Year 7 parents later in November as part of the enrolment package and to the Year 9 students moving into Year 10 in 2019 in an information package sent out at the end of the year. If parents have a specific query, please direct your enquiries to the following email address: Laptops@parade.vic.edu.au

2019 new Learning Management System at Parade College

In 2018 the College reviewed a number of the communication tools it uses, including the College Webpage and our Learning Management System. As a result of this review, parents will note a number of exciting advances in 2019. The College Webpage will be updated to provide clearer communication and easier access to a number of links within the community.

The College is in the process of making a transition across to a new Portal and interactive Learning Management System called Simon Schools.

This is an exciting step as it will enable parents to interact directly with the College and their sons teachers via the Portal or the Parent Access Module (PAM).

As Simon is rolled out in 2019, parents will be able to interact and rationalise attendance and learning information, booklists and learning resources, update medical and excursion details and make bookings for events such as Parent Teacher Interviews through the one Portal or App via their phone.

Simon will offer students and parents more efficient and consistent access to the College and the day to day interactions in their sons education.

Log in details and support information will be sent out later this year/early in 2019.

Captains Report

A long, victorious year lies ahead for Lynch House after a back-to-back win at the Treacy House Cup, the dragon continues to reignite our ‘Men of Fire and Honour’.

Next year, like the two before it, will be no different; the other houses may have the benefit of the doubt as of now, but the dragon is sure to put the red-back crawling back into the hole from which it came, the lizard licking its wounds, and the cockatoo in flight, presumably in response to said tongue-and-“beak” repartee.

This year, our Year 7 to 12 ‘Men of Fire and Honour’ under the hands of our student Prefect Leadership/House Committee team have excelled in all areas of College life. Our very own 2018 Lynch Vice-Captain, Dante Arestia L04, was presented with the Edmund Rice Shield at the Valete graduation ceremony for his continued service to the College through his commitment to the Theatre, Community Action, and Drama. In 2018, the call to leadership in Lynch, as well as the wider College, has been widespread, and somewhat symptomatic of our boys’ eagerness to step up to the challenge.

As the 2019 Lynch House Captain, I am accompanied by Lynch House Vice-Captain, Amir Yacoub L08, and Parade College Captain, Max Tricarico L05, in Lynch House; whose exploits in representing Australia in the 2018 World Bocce Championships in China has certainly shown him to be on the ball in terms of commitment to the College. Kudos to Max on his ground-breaking success, and to the many others in Parade who have achieved success on many sporting fronts representing Parade at ACC events and the wider community. Our congratulations to all those who stepped up the responsibilities of Prefect positions, and we extend our wishes to the 2019 Prefect group.

Our 2018 Year 12s are dearly missed, for their friendship, counsel, and example, have left the newly inducted graduating class of 2019 with a tremendous fervour for the year ahead. We wish them all the very best in their future endeavours: may the good name of Parade be forever with them.

With Year 10 to 12 exams coming to a close, the 2019 Year 12 cohort look forward to the Headstart Retreat with preparations finalised for the many activities offered to those involved. For the Year 10s, this month will see them working in their prospective careers, carrying out the spirit passed onto them in the work experience interview opportunity given to them early in the year. They will experience the dynamics of the changing workplace, and apply their interests, talents, and knowledge to discern their dream jobs.

The year of 2018 has been a widely successive one, and the staff and Lower House students of Parade are looking forward to the upcoming Year 9 and 8 exams followed by their respective camps - sure to provide them some peace and quiet after a rather hectic year. The Year 7s will also have a range of activities to undertake as they complete their first year at Parade. We look forward to soon welcoming our newest cohort the Year 7 2019 Lynchies who have already undertaken an orientation evening and later in December will have an orientation day.

2019 is secured to be yet another busy, yet rewarding year of friendship, success and development for all the staff and students of Parade.

Recently our Trade Centre Team of SBAT (School Based Apprentice Trainees, Carpentry) were approached by the Northcote United Cricket Club and asked if they would be interested in constructing a new Honour Board for the Cricket Club.

A very challenging and rewarding exercise it was, where the students had to research where to acquire the correct materials for the project.

The Board itself, being Victorian Ash veneer board, was sourced locally from Melbourne Ply Panels in Thomastown.

The kiln-dried Tasmanian Oak trim and fretwork was purchased from Templestowe Timber and Hardware in Templestowe.

With all the materials at the Trade Centre the students were able construct the Honour Board over a period of two weeks with the assistance of Trade Training Teachers Mr White and Mr Hogan.

On completion, the Honour Board was then taken to C.L.T. Polishing in South Morang where it was French polished to the required standard.

Once the French polishing process was completed it was then taken to Heidelberg’s Pep Sign Writing Company where the initial gold leaf lettering process began.

From here it was transported to the Northcote United Cricket Club in Alphington and installed by local council representatives from the Darebin City Council.

One might say on this occasion the boys stepped up to the plate and absolutely nailed it!

A special thanks to Mr White and the SBAT Team for all his assistance in this fantastic project.

Northcote United Cricket Club President, Mr Billy Hogan (pictured above with Trade Teacher Joel White) is extremely grateful for the Clubs new Honour Board that was constructed by Parade Trade students and looks forward to continuing the relationship with the school.

Well played boys!

“Free To Fly” - Vale Brendan Tresckitta
The family and friends of the late Brendan Tresckitta have paid heartfelt tribute to a much-loved 19-year-old, now at peace after bravely battling an extremely rare neurodegenerative condition.

It is with broken and heavy hearts that we say goodbye to our much loved, beautiful son and brother Brendan,” Joe wrote in a Facebook post.

“That problem was manageable for a time, and when Brendan pursued his studies as a Year 7 student in 2013 his teachers backed him all the way. But then other issues began to manifest themselves and Brendan was diagnosed with epilepsy,” Joe said.

“Usually epilepsy can be kept under control with medications, but in Brendan’s case it was caused by the underlying condition (SMA-PME). At the time the doctors completed a lot of tests – blood tests, skin biopsies and the like - and Brendan was off for a month. But the results all came back negative and the doctors were left baffled.”

By mid-2013, Brendan’s hearing was on the decline, prompting Joe and Irene to withdraw their son from Parade and find a placement for him at St. Mary’s College for the Deaf within Marymede Catholic College at nearby South Morang. The College’s special school for the hearing impaired was good for Brendan. He enjoyed the school environment and specialized assistance he received and continues to receive.

“Brendan was an active child too. He was a good cross-country runner, a basketballer and a soccer player, but then he started falling and dropping things and finally had to resort to using a wheelchair,” Joe said.

“As there Brendan’s condition deteriorated and he started experiencing full Tonic Clonic seizures. He was finally diagnosed with SMA-PME in mid-2016 and is the only person in Australia known to be afflicted with this condition.”

As the Tresckitta family desperately sought a medical breakthrough for their boy, a fundraising event was organised at Tullamarine’s Melrose Receptions back in...
April, proceeds of which were put aside for Brendan’s on-going treatment.

That fundraiser, at which Brendan himself somehow found the strength to attend, attracted hundreds of people all of whom gave what they could for his cause – amongst them the singer/songwriter and Old Paradian David Cosma (1992) and members of his five-piece band Sun Rising who belted out the songs that made Memphis.

That Brendan is now gone at just 19 years of age is truly tragic . . . but maybe, just maybe he’s found his own rising sun. As Joe wrote: “You have now earned your wings and are free to fly and soar to wherever your heart desires”.

The Funeral Mass for Brendan James Tresckitta was held on Friday 9 November at St Francis of Assisi Catholic Church, Mill Park

Lone Pine planted in honour of Parade’s soldiers

On the eve of the 100th anniversary of the Armistice, a Lone Pine sapling has been planted at Parade College’s Bundoora Campus, in commemoration of all Old Paradians who fought in both World Wars and as a living memorial to those who died in them.

The Old Paradians’ Association, with the support of Parade College, recently arranged for the planting of the sapling in a prominent grassed area in front of the campus’ administration block, opposite a cross dedicated to those who gave their lives in conflict.

Parade College Acting Principal Andy Kuppe was in attendance for the planting ceremony, as was the College’s Vietnam veterans – former students Paul Stock, Paul Vaughan and former teacher John Joss.

So too Old Paradians’ Association President Lewis Derrico and CEO Tony De Bolfo.

In 2015, on the occasion of the Centenary of the Gallipoli Landing, the Lone Pine was acquired as a seedling in a forestry tube from the Australian War Memorial via Yarralumla Nursery. As council requirements dictated that the seedling was of insufficient height and root volume to be planted at the time, the seedling remained the responsibility of the Association for the next three years.

This year, the Lone Pine, which can reach a height of 35 metres, met the planting requirements.

Sunday, November 11, marked the 100th anniversary of the Armistice which ended the First World War.

In the four years of that war, more than 330,000 Australians served overseas, with in excess of 60,000 of them having died. The social effects of these losses cast a long shadow over the post-war decades.

At the outbreak of hostilities, the Old Paradians’ Association was in its first year of existence.

But it was not untouched.
In World War I, 193 former students of Parade are recorded as having enlisted for service, 24 of whom were killed in action; in World War II 1067, 34 of whom did not return – and in Vietnam 55 with one lost.

The Lone Pine was a solitary tree on the Gallipoli Peninsula in Turkey, which marked the site of the Battle of Lone Pine in 1915. The tree was obliterated during the battle; however, pine cones that had remained attached to the cut branches over the trenches were retrieved by various Australian soldiers and brought home to Australia.

The resultant seedlings sent home by one soldier, were propagated from the pine cone. Today, an Old Paradians seedling finds a home at Parade College.

**LEST WE FORGET**

**Is this Parade’s first music video?**

It’s more than a quarter of a century since David Cosma last wandered the vast open spaces of the Bundoola Campus in his College uniform.

But the singer/songwriter fronted for his final day armed with his trusty guitar, and to his eternal credit he’s now put words and music to precious film of that momentous occasion all those years ago.

In marrying the tune “Take Me” from his newly-released album *The Death of Discovery*, David may well have pieced together Parade’s first music video – which in part includes pictures of the since-demolished Edmund Rice Campus beyond the Brothers’ Cemetery to the rear of the Bundoola property.

Here David reveals the story behind the story;

Okay, so a few weeks ago, my mate Enzo Tomasiello, found a couple of old VHS videos. One was titled ‘Cosma’s
Thereafter, I shot some of the footage and when I appear in front of camera, Nick Milano is cameraman…

Upon seeing it, I recall wanting to capture a few things for posterity, the ERC campus (long gone), various staff (you can see us talking to Mr Joss at the start, we tried to evoke a reaction out of the librarians where we’d often be causing mischief, we visited Anne Mills in the tuck shop, our adopted God Mother was a wonderful woman), there’s a big free for all footy match taking place (which was pretty much a daily occurrence), I remember taking the guitar and performing for some mates in the ERC quadrangle, there’s lots of general standing about, taking about things of the time, lots of buffoonery.

I had enough close up footage to identify nearly 40 students and staff, names which are listed below. I wish I had filmed more students and teachers!

There’s many more faces in the video which I can’t identify but I’m sure ex-students may see themselves or friends they know…

Here’s a list of the staff and students I was able to identify - Stephen Baggio, Jason Balaziniec, Michael Basile, Michael Cavedon, Marco Centofanti, Brad Cordina, David Cosma, Paul Damiano, Joe De Fazio, Andrew Demaria, Damien Del Medico, Jason Findling, David Gargaro, Marco Gatino, Tony Gospic, Dean Horsington, John Joss, Michael Kavanagh, Darren Kozul, David La Greca, Daniel Lepore, Library staff, David Mariani, Nick Martello, Michael McCrohan, Nick Milano, Anne Mills, Lino Murdocca, Cameron Murphett, David Murulli, Robert Pegoraro, Ivo Pes, Mark Rainer, Matthew Rumuno, Brendan Thomas, Enzo Tomasiello, Joe Tricarico, David Vespa and Bruno Zangari."
