22338VIC Certificate II in Building and Construction Pre-apprenticeship Carpentry Stream

About the Course

This pre-apprenticeship course will provide you with the opportunity to gain carpentry skills and knowledge at a beginning level.

The completion of a carpentry pre -apprenticeship program in a senior secondary environment has many benefits including:

- assisting you to decide if you are suited to a trade career;
- being the preferred pathway of many building and construction sector employers when employing apprentices to complete Certificate III qualifications, and
- providing useful skills for future domestic/D.I.Y building and construction projects.

Course Entry Requirements

Course applicants must meet the following selection criteria:

- satisfactory completion of Year 10 secondary school studies or higher, and
- satisfactory completion of a language, literacy and numeracy test.
