MSF20516 Certificate II in Furniture Making Pathways

About the Course

This qualification will provide you with an opportunity to gain beginning level knowledge and skills required to manufacture free-standing furniture or built-in cabinets, and/or assist in the installation of on-site furniture or cabinets.

The completion of this course in a senior secondary environment has many benefits including:

- assisting you to decide if you are suited to a trade career;
- being the preferred pathway of many building and construction sector employers when employing apprentices to complete Certificate III qualifications, and
- providing useful skills for future domestic/D.I.Y building and construction projects.

Course Entry Requirements

Course applicants must meet the following selection criteria:

- satisfactory completion of a language, literacy and numeracy test.
