SCHOLARSHIPS

Parade College scholarships have been established to acknowledge and foster the development of our students with special talents and to encourage their contributions within the school and wider community. As well as being highly competitive, our Academic Scholarship is also an opportunity to recognise those students in our community who possess an outstanding academic record whilst also contributing actively to many facets of College life.

The number of scholarships awarded each year is dependent upon the quality of the applicants and the availability of places. All scholarships are awarded at the discretion of the Principal and are subject to annual review. Application information, including key dates and remission, is advertised on the College website.

INSTRUMENTAL MUSIC TUITION SCHOLARSHIPS

Parade College students entering Year 7 to Year 12 are invited to apply and audition for a Music Scholarship. The Music Scholarship is designed to nurture, encourage, and foster a love of music in young musicians at the school. The recipient of the Music Scholarship is expected to work hard, demonstrate leadership, and be actively involved in Music at Parade by encouraging others to engage in our dynamic and inclusive program. The Music Scholarship will be awarded to candidates who demonstrate exceptional musical ability and potential, along with enthusiasm to contribute to musical life at the College.

LOU ARTHUR MEMORIAL ACADEMIC SCHOLARSHIPS

Successful applicants must have a strong commitment to their academic performance and display a desire and willingness to make a valuable contribution to the College community. Students will be required to complete the Academic Assessment Services Scholarship Test, and will also be assessed on their responses to application questions and supporting documentation. An interview with a panel of senior staff members for short-listed candidates is an integral part of the process of awarding scholarships.

VCE VM SCHOLARSHIPS

This scholarship is offered to new Year 11 students who enrol in our VCE Vocational Major program (VCE VM) at our co-educational Preston Campus, and who demonstrate the potential to be outstanding contributors in their chosen field of interest within one of the following VCE VM Programs at Preston:

- Sport Academy
- Business Academy
- Applied Learning Pathway
