

OUR CHILD SAFETY COMMITMENT

At EREA VSL we hold the safety, wellbeing and dignity of every child and young person as our highest priority.

We are unwavering in our commitment to creating welcoming and respectful physical and online environments where all children and young people feel safe and are safe.

We listen, support and empower children and young people to speak up about safety and participate in decisions affecting them so they can thrive and grow in their own unique way.

We affirm that protecting children and young people from harm is everyone's collective responsibility - from our Board to every staff member, volunteer, contractor, family and community partner. This expectation is embedded in our culture, thinking, policies, procedures and daily practices.

Our commitment to child safety is shaped by the Charter for Catholic Schools in the Edmund Rice Tradition and expressed through the Touchstones of Liberating Education, Gospel Spirituality, Inclusive Community, and Justice and Solidarity.

We are called to act with integrity, compassion and courage in all that we do to protect the safety and wellbeing of children and young people.
