22614VIC - Certificate II in Building and Construction Pre- apprenticeship (Bricklaying)

About the Course:

This pre-apprenticeship course will provide you with the opportunity to gain bricklaying skills and knowledge at a beginning level.

The completion of a bricklaying pre-apprenticeship course in a senior secondary environment has many benefits including:

- assisting you to decide if you are suited to a trade career.
- being the preferred pathway of many building and construction sector employers when employing apprentices to complete Certificate III qualifications, and
- providing useful skills for future domestic/D.I.Y. building and construction projects.

Learners completing this course will be job-ready to undertake an apprenticeship within the building and construction industry sectors.

Course Entry Requirements:

Course applicants must meet the following selection criteria

- Be enrolled in Years 10, 11 or 12 in secondary education, or
- Satisfactory completion of a language, literacy, and numeracy test
