

BOOK WEEK 2026

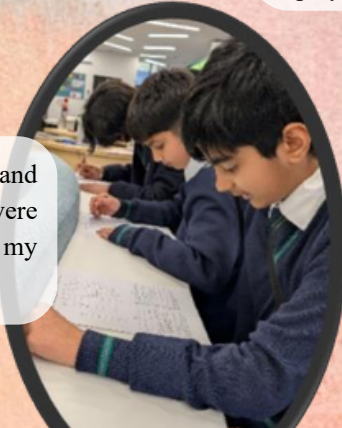

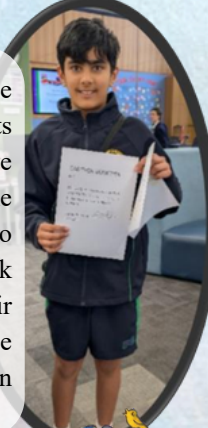

'It was fun and interactive!' -Hugo M.

'Book Week was an exciting opportunity to appreciate how lucky we are to have such a brilliantly stocked and staffed library at Parade College. I hope to see even more involvement next year!' -Ms van der Linden.

'We were very fortunate to have an enthusiastic bunch of students who enjoyed the activities we provided at recess and lunchtime in the NLC. The students who came to the circulation desk enjoyed demonstrating their musical talents with the percussion instruments on display.' -Ms Carr.

'I enjoyed the trivia a lot mainly because me and my team won! The questions asked were interesting and I liked working together with my group.' -Jase R.

'It was pleasing to note students borrowing and were interested in a lot of the displays. Trivia seemed to be a big hit as well!' -Ms Powell.

'It was fantastic to see so many students coming in and taking part in the activities, asking and answering questions about the books and catalogue, and just to feel the incredible level of excitement in the room each break. I loved helping run the trivia and having teams leave with bragging rights and sugary treats made it worth the level of (positive) noise.' -Mr Jacobs.

2026 CHILDREN'S BOOK WEEK

SYMPHONY OF STORIES

22-28 August 2026
