

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 10 15 June 2022

From the Principal

This will be the final newsletter for this Semester.

Our New House: Nolan House

With increasing enrolments at the Bundoora Campus, the Leadership Team has decided to move from four to five houses. The move continues to highlight our focus on student wellbeing at the College. Our intention has always been to promote safety amongst our students, to build culture and a sense of belonging for each student, as well as House spirit within each House. If we were to remain at four Houses this would be possible but more challenging with the increasing numbers of students in Year 7.

To ensure our ongoing commitment to student wellbeing, the creation of a fifth House demonstrates to the College community, that while our numbers may be growing on the Bundoora campus, the College is growing and changing also. A fifth House would more accurately reflect the development of Parade and ensure that the wellbeing/ pastoral concerns/ of students continue to be our priority.

There were questions about what the new 'House' could be called and the consensus is Nolan House, after one of the original founding Brothers: Patrick Joseph Nolan, a lay Brother born in County Kerry, Ireland - a proud Kerryman! In some ways Nolan had been 'written out of the history'. Nolan was a non-teaching or "lay" Brother, largely responsible for fencing, clearing the land, furnishing and

Br Nolan sculpture (far right) at our Bundoora Campus

overseeing construction of our original campus in East Melbourne. With our focus on applied learning / VCAL / VCE (Vocational Major), a new House named after Nolan seems providential.

The College has been preparing for this decision for a number of years, beginning with the inclusion of Br Nolan in the Founders' sculptures at the entrance of both campuses.

This will be a transitional process, beginning in 2023. Specific details regarding the transition will be available to the College community next term.

Principal's Leave

I will commence Enrichment Leave on Monday 11 July (first day of Term 3) and return on Wednesday 5 October (third day of Term 4).

I look forward during this time to completing a Company Director's Course with the Australian Institute of Company Directors. Then during the majority of the Term, I will be on

Pilgrimages to Rome and Ireland in the footsteps of Ignatius and Edmund. I will also visit Manchester as part of our partnership with Manchester City, and Geneva to connect with justice initiatives at Edmund Rice International and the United Nations, hosted by Br Brian Bond, former Principal of Parade. I plan to conclude the enrichment leave by embarking on a two week program in the footsteps of Jesus throughout Israel. I am very grateful for all these opportunities and look forward to returning refreshed and energised.

I am also now scheduled to have some elective surgery on Friday 17 June, so will commence leave from that day (my last day for this term will be Thursday 16 June)

- Mark Aiello will be Acting Principal from Friday 17 June to Tuesday 4 October (inclusive).
- Mary Dourios will be Acting Deputy Principal from Friday 17 June to Tuesday 4 October (inclusive).

ACC Culinary Competition

We're so proud of our Year 11 students, Adam Miatello (Yr11 B05), Bailey Cumming (Yr11 B07) and Armaan Datta (Yr11 L02), pictured below, who were awarded a gold medal for their participation in the recent ACC Culinary Competition, held at Parade College.

ACC News

We have experienced one of our most successful ACC Winter competitions for the ACC Football and AFL seasons with some potential success upon the horizon:

Information Evening - Edmund Rice Pathways Program and VCE Vocational Major 2023

There will be an information evening at the College on Thursday 16 June at 7.30pm in the Rivergum Theatre (Bundoora Campus) to provide students and parents with an overview of the Edmund Rice Pathways Program and VCE Vocational Major for 2023.

The Edmund Rice Pathways Program and VCE Vocational Major are applied learning pathways which lead to further education, training, apprenticeships and employment. There is a strong emphasis on developing employability skills through extended work experience and hands-on learning. The VCE Vocational Major replaces VCAL from 2023.

Students in Years 9 to 11 who are interested in finding out more about the pathways offerings at the College are invited to attend this information evening with their parents.

Semester One Reports and Student Progress Learning Conferences (ERPP, VCAL, VET and VCE)

Semester One reports will be released online on Thursday 23 June at 3.30pm. Learning Conferences for families of ERPP, VCAL, VET and VCE students will be conducted remotely on MS Teams on Thursday 14 July.

Interview Times

Thursday 14 July 4.15pm to 8.30pm (excluding 6:00pm to 6:45pm)

The Student Progress Interview portal (via PAM) will open on 23 June at 3.30pm to enable bookings to be made. Please ensure that you take this opportunity to book interviews with your son's teachers. Bookings will close at 9:00am on 13 July. Families will receive more information by email early next week.

2023 Subject Selection Season: 16 June to 3 August: VCE and Tertiary Expo: 21 July Years 7 and 8

core subjects do not form part of subject selection and if your son is currently involved in a specialised program such as Intervention English/Maths, Altior, Sports Institute or Manchester City, then he will continue with this in 2023. Boys will be guided through this process during two Tutor Workshops on 22 and 29 July.

During these workshops boys will be shown information on the College's Subjects Selection Website and will have an opportunity to discuss their potential elective choices. More information will be made available to families in early Term 3.

Years 9 to 12

We are pleased to be able to conduct the VCE and Tertiary Expo on Thursday evening, 21 July as an in-person event at the Bundoora campus.

Year 9 and 10 students and parents intending to follow a VCE pathway will be required to attend one of the three Subject Selection information sessions and the Expo. Current Year 11 and Year 12 students are urged to attend from 3.30pm to 4.30pm when they will have free access to Parade College VCE, VET and VCAL staff as well as to representatives from a range of tertiary institutions.

After the subject selection evening, boys will have an opportunity to be guided through the process during two Tutor Workshops on 22 and 29 July where boys will have an opportunity to discuss their potential elective choices.

Subject Selection Key Dates

- 21 July Compulsory Subject Selection Information evening for Year 9 into 10 and Year 10 into 11. Current Year 11 and 12 students are urged to attend
- 22 July Subject Selection Tutor Workshop 1 in Tutor period for current Year 7 to Year 11 students
- 29 July Subject Selection Tutor Workshop 2 in Tutor period for current Year 7 to Year 11 students
- 3 August Subject Selection online submission due for all year levels
- 4 August Acceleration forms due from Year 9 and Year 10 students

Holiday Homework

Students in Years 7 to 9 do not have set homework for the mid-year break, other than reading set texts for English and completing any tasks that remain incomplete from Term 2.

Students in Years 10 to 12 should have homework for their subjects to prepare them for Term 3.

Upon receiving their Semester Examination results, students in Years 8 to 11 are encouraged to reflect on feedback from their teachers and use it to guide their study for Semester 2.

Careers @ Parade

VCE and Tertiary EXPO

The VCE and Tertiary Expo is on Thursday 21 July and is an in-person event at the Bundoora campus.

Year 9 and 10 students and parents intending to follow a VCE pathway will be required to attend one of the three Subject Selection information sessions and the Expo. Current Year 11 and 12 students are urged to attend from 3.30pm to 4.30pm when they will have free access to VCE and Tertiary representatives. A timetable for the afternoon/evening appears on the opposite page.

Year 12 Careers Meetings

It has been great to meet with so many Year 12 students during Term 2 and help them to plan for their future pathways. Every Year 12 student must attend a meeting before the end of Term 3. The Careers Counsellors can assist students with questions relating to VTAC offers, tertiary courses, TAFE, traineeships, work places or apprenticeships. Please encourage your son to make an appointment.

Year 10 Work Experience

A reminder to all Year 10 students that they need to be organising their Work Experience for 14 to 18 November. It is highly recommended that students have their placements organised by the end of Term 3. Students can make an appointment online with the Careers Team if they need assistance with their placement.

Man Cave

Recently our Year 9 students participated in their second day of Man Cave programs. Feedback from our students and staff was overwhelmingly positive. After the holidays our Year 8s will participate in their first days of the program on either Monday 18 or Monday 25 July.

Year 9 students Ashton Roeg T19 and Joshua Bawden T15 reflected on the day and their experiences:

Mancave is an organisation that visit schools across Australia to educate young students on adulthood and how to overcome problematic situations to be a better person. We have had the opportunity to work with the presenters in Year 8, at the end of 2021 and now again in 2022.

At the most recent Mancave session, we discovered things about the presenters and students in our classes, sharing our feelings, talking about everyone's emotional past and how they dealt with it and became a 'better man' from the experience. We also talked about relationships between males and their friends, and what makes a positive relationship. We discussed what we would want in a relationship (communication, loyalty and caring) as well as things we wouldn't want in a relationship (toxicity and uneven effort put into the relationship).

One presenter shared a personal story on how he turned his life around towards the end of his teenage years. He explained how much happier he is with his life and encouraged us to do the same. His story showed true resilience as he overcame major obstacles for a better future. Overall, the presenters did a good job of illustrating the value of connection and friendships. They also did a good job at explaining how important men's health and wellbeing is to us young men. We enjoyed the opportunity to have this conversation as we learnt more about the students in our class.

School TV

As a College we subscribe to School TV which is a wellbeing site for parents and teachers to seek help, guidance and understanding around a range of issues. As we settle back into life past lockdown we know that many of our families are looking for assistance on how to support their sons. In the

latest Special Report the team of psychologists at School TV look at how we can build resilience in our young people.

Building Resilience Post Pandemic

Unfortunately, the mental health of young people has been significantly impacted by the pandemic. The prevalence of symptoms of anxiety and depression has risen dramatically amongst young people and remains higher than pre-pandemic levels. It is not an exaggeration to say that the child and adolescent mental health system is currently in crisis with general practices inundated, emergency departments flooded with demand, and medical services becoming disconnected, dispersed and diluted. As a result, many young people are at risk of not achieving the primary demands of developmental tasks such as independence, identity formation, and attaining and maintaining peer relationships. However, by maintaining their wellbeing through regular exercise, adequate sleep and healthy nutrition, young people can be in a better position to tackle them.

As many families settle back into their pre-COVID routines, there seems to be a pervasive sense of optimism about what lies ahead. If there is a panacea to the adversity caused by the pandemic, then it is the building of resilience. In this current environment, young people need support, understanding, empathy and encouragement from caring adults. Teaching them the skills to build resilience will enable young people to thrive and develop healthy coping strategies. There are seven integral and interrelated components that make up being resilient. These are explained in more depth in this Special Report and includes suggested strategies on how parents and carers can best facilitate them.

Year 10 Preston Immunisation - Date Change to Thursday 11 August

The date for the Preston Campus Year 10 immunisation for Meningococcal (ACWY), administered by the Darebin Council, has been changed from 23 June to 11 August. Please mark your calendar accordingly.

Year 10 Meningococcal (ACWY) Immunisations Bundoora Campus, Wednesday 13 July

Staff from Banyule Council Service will be visiting the Bundoora Campus on Wednesday 13 July to immunise Year 10 students.

Immunisation is an important and effective tool for protecting your child, their peers, and the wider community from serious disease. All secondary school vaccines are funded by the Government until your child turns twenty years of age.

An immunisation consent card must be signed by a parent/ carer if you wish to have your son immunised.

If your son is not having the immunisation, the consent card still needs to be ticked 'no' and returned to his Tutor Teacher.

Years 7 to 9 Mother and Son Evening Tuesday 21 June from 6.30pm to 8.30pm

Traditionally a Year 7 event, this year the event is open to students from Years 7 to 9 and their mothers. For some students their mother figure may be an Aunty, a family friend, someone that they are close with, or someone that possesses a positive role in your son/s life. Please refer to the invitation on page 3 of this *Newsletter*.

There are still places available for those that wish to attend the Mother and Son Evening, which is being held next Tuesday 21 June at the Hickey Foyer at the Bundoora Campus. A light dinner will be served at 6.30pm followed by a special guest speaker in the Rivergum Theatre at 7.30pm. Please register your intention to attend this wonderful occasion on <https://www.trybooking.com/BZWUO>.

Pavers, Leave Your Mark

There is no time like the present to leave a lasting impression on our College school grounds, one that will last a lifetime. What better way to show your College spirit than with your name imprinted on a paver to be seen for many years to come as we celebrate our 150 years.

The funds raised help POP in being able to run future events and activities for the benefit of the students and the community, which provide a positive impact on our students.

If you would like to participate please complete the attached form. We are running, Leave Your Mark through Term 2 with all orders going into production at the end of the term, so do not miss out.

Thriving as Gifted

On 24 May, in celebration of Gifted Awareness Week, Parade hosted its first 'Thriving as Gifted' Evening. We heard from an esteemed panel of guests including our very own Guy Logan, Director of Student Support Services, and Annette Magro Student Counsellor. They explored the ideas of what it means to be Gifted and how we can work towards developing skills and mindsets that foster growth and ultimately success.

Pictured above L-R: Benjamin Ferraro, Pinidu Chandrasekera, and Dylan Tran Ngo at the Thriving as Gifted Evening

We also welcomed back some of our Paradian Alumni, Dylan Tran Ngo (our 2020 College Dux), Pinidu Chandrasekera (graduating class of 2019, who obtained an ATAR of 99, with a study score of 50 in English) and Benjamin Ferraro (our 2015 School Captain), who many would describe as thriving as gifted. They each spoke about their own experiences since leaving the College, and how many of the skills they learnt as part of their education here have served them in their everyday life.

It was a real celebration to welcome these young men back and an absolute joy to hear them speak about how their education at Parade College has been instrumental in forming the young men they are today.

Defence Force Visit

VCAL and ERPP students recently attended an Australian Defence Force information session at the Preston Campus.

Infantry Soldier John Feo and Officer Tiplady from the Military Police shared insight about life in the Australian Defence Force (ADF). They delved into the different career pathways, entry requirements and processes.

Infantry Soldier John Feo spoke about his role as an army soldier and his handling of explosives and demolition. He discussed specific abilities soldiers require to perform their job well. He stated that skilled tactics, effective teamwork and cooperation with other corps was a necessity to carry out his role.

Officer Tiplady spoke about his original career as a domestic plumber and how he transitioned into the military police. He indicated to students that there were over three hundred different positions offered in the ADF, ranging from apprenticeships in nearly every trade to Officer positions. He explained the recruitment process and highlighted the numerous benefits gained by joining.

One aspect that students found appealing was the sporting opportunities offered to its ADF members. The ADF sponsored Infantry Soldier John Feo to represent the

rugby team on a domestic and international level. Officer Tiplady stated that he was flown to American to compete in a defence force marathon, "my flights and accommodation were all paid for by the ADF".

At the end of the presentation, students approached Infantry Soldier John Feo and Officer Tiplady with enthusiasm, asking them various questions about career pathways, day-to-day operations and experiences.

Parade College Aboriginal Ties and Scarves

We are very proud to be able to offer the sale of the College Aboriginal Ties and Scarves to our College community.

Designed by Aboriginal Parade students in 2019 and approved with consultation by Wurundjeri Elder Auntie Di Kerr, they tell the Aboriginal story of the Parade College grounds, as told by Wurundjeri Elder Uncle Dave Wandin.

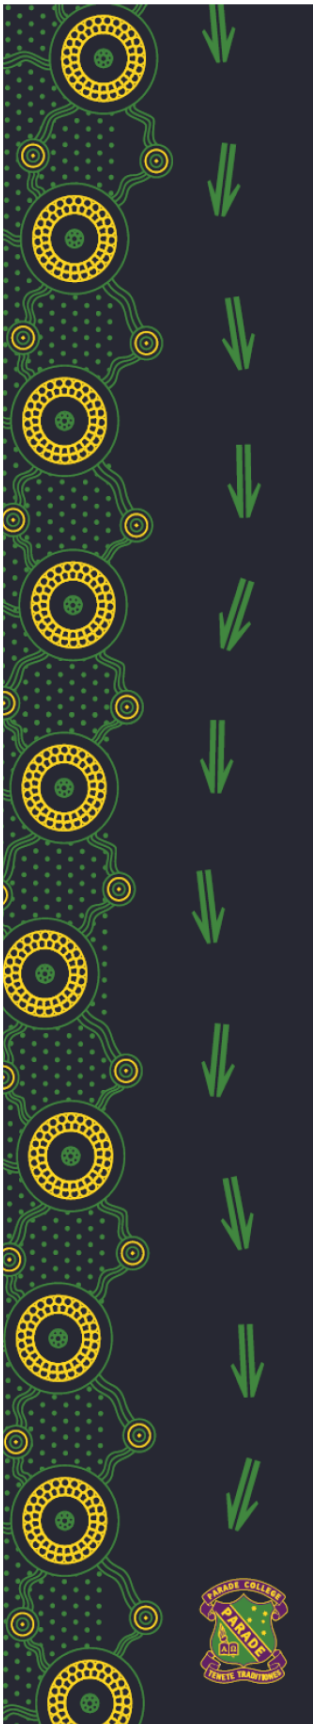

The circles represent the people who lived, cared for, farmed, hunted and travelled on this Country. Aboriginal people lived and met on this Country daily to hunt and sit under the big Red Gums they planted. They exchanged information about land management, what they saw on their daily walks, observed, ate and shared food, weaved and traded.

You can see the kangaroo tracks down the tie, representing the Kangaroos that lived on this land to feed and rest. The Aboriginal meaning of Bundoora is thought to mean where the kangaroos lived.

Ties and Scarves can be purchased from College Reception
\$25 Tie, \$30 Silk Scarf, and \$20 Polyester Scarf

Students are able to wear the Aboriginal Tie in place of their College Tie during Terms 2 and 3

**\$5 from every tie sold will be donated to

Instrumental Music Lessons Semester 2 Enrolments Now Open

Did you know? Studies in neuroscience show that music can enhance brain function in children. Musical activities such as playing an instrument, singing or just listening to music) stimulate the brain, and this brain workout leads to improved brain structure with the formation of new neural connections!

Not to mention many of the other fantastic social and academic benefits it has for us! Even ten minutes of singing a day has been known to reduce snoring!

Semester 2 is a great time to enrol in the Parade College Instrumental Music Lesson Program. We offer a wide range of instrumental and voice lessons, in both group and individual lessons.

Our Junior Instrumental Music Band Class Program, where lesson fee, instrument, hire and text are all included in the low cost of the lesson, is a great option for any Year 7s and Year 8s wanting to try a brass or woodwind lesson and be a part of the fantastic Honours Band. This is a great option if you and a friend are keen to try something new and different.

Students have the opportunity to participate in a range of ensembles and events through the year and form lifelong friendships with students from different year levels.

You can find our more by clicking on the college website [music page](#) and our dedicate music website where you can keep up to date with all of the [great music and events in the Performing Arts](#)
