

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 11 27 June 2018

From the Principal

The annual musicals at Parade having been going for many years now and 21 musicals have been presented. As a result, there are many Old Paradians who have progressed in the world of music and theatre. As part of our 50 Years at Bundoora celebrations, a sterling cast of former students will present a concert *Encore 21* on 25 August at the Athenaeum Theatre and which promises to be a wonderful event. Bookings have opened – see booking details in this *Newsletter*.

Congratulations to all involved in ACC Term 2 sports fixtures in Football, Soccer, and Badminton. It is of special note that the Year 10 A Football team were the ACC premiers and now contest the Intermediate Herald Shield Football semi-final against Marcellin College.

Please remember that in the winter break we will be commencing work to renew the area of Waterford Park and the north side of the Administration Building. Construction zones will be fenced off and some minor modifications in operation for parking.

We hope that all our students will enjoy a refreshing mid-year vacation. We are having a staff professional development event on Monday 16 July which is therefore a student-free day. Classes resume on Tuesday 17 July at 8.35am for all year levels.

Dr Denis J Moore cfc
Principal

Tickets are now on sale in the countdown to *Encore! 21 years of Parade College Musicals*

This is definitely a one show only event to be held on 25 August at Melbourne's iconic Athenaeum Theatre

Tickets are \$49* each through Ticketek

From the Assistant Principal - Teaching & Learning

Semester One Reports and VCE/VET/ERPP/VCAL Student Progress Interviews

Semester One reports will be released online via the Parent Portal on Thursday 28 June at 3.30pm. Year 9 ExCEL reports will be available from 27 July.

VCE, VET, ERPP and VCAL students and parents are encouraged to make appointments for the important learning conferences with teachers to be held on **Thursday 19 July at 3.45pm to 5.45pm and 6.30pm to 8.00pm.**

Interviews at the Bundoora campus will be held in Greening Auditorium, while those at the Preston campus will be held in the Caroline Chisolm Learning Centre and upstairs in the Rice Building. Parents and students are encouraged to attend. It is far more beneficial that students attend with their parents. Teachers will be mindful to keep interviews to the times designated. Please bring along your son's printed interview times, as they include the location of each teacher.

Bookings for Student Progress Interviews will be available via the Parent Portal at 3.30pm on Thursday 28 June

Advanced Notice: Final Round of Progress Interviews for 2018

Parents should note the final Progress Interviews for 2018 will be held on Monday 10 September from 4.00pm to 9.00pm for all students from Years 7 to 12.

Year 12 Parent Information Session – VTAC Applications for University and TAFE courses 2018

Parents of Year 12 students are invited to attend an information session on the VTAC application process for admission into higher education courses, which will be held during the scheduled staff dinner break at the upcoming VCE Student Progress Interview Night.

Date: Thursday 19 July
Time: 5.45pm to 6.20pm
Venue: Rivergum Theatre

Melinda Williams, College Careers Advisor, will explain the key parts of the application process as well as provide key dates for the submission of applications, ATAR release and Tertiary Offer notification.

To help with organisation, please email Melinda.Williams@parade.vic.edu.au should you wish to attend.

Semester Two Timetables

Students have begun their second semester timetables. At Parade, our timetable is focused on students, not teachers. When our boys make their elective choices, we maximise their choices and build the timetable around them. This means that at the end of a Semester, students change their electives and to accommodate these changes there are many boys who also have a change for some of their year-long (two semester) subjects. Teachers will assist students in making this transition, and as students progress through the school, they will find as they can choose electives more and more, this changes becomes more common.

All students are encouraged to take time during the upcoming semester break to have a rest in preparation for the new term and to celebrate all that they have achieved. Senior students will have homework and study tasks to focus on that help them to appreciate the times of rest all the more.

Year 12 Oral SACs

Year 12 English students are preparing for their upcoming Year 12 English Oral SAC 'Presenting Argument'. They will deliver the oral presentation in week one or two of Term Three. Students have been assigned a time when they will be removed from their usual English class to deliver the oral presentation in Banksia Room in front of an assessor and five other students. Students have been informed of their allocated time by their English teacher and it is also published on eWorkspace. Students are advised to rehearse their presentations at home, ideally in front of an audience. In this time, students should also be re-reading their English texts, with a focus on *Tracks*, which is the next unit after the Oral SAC.

2019 Subject Selection Information

The process for choosing subjects for elective units for 2019 begins with Year Level Assemblies to students in Years 7, 8 and 11 on Friday 27 July. Year 9 and 10 students and families will receive important subject selection information on the afternoon and evening of Thursday 2 August. Current Year 11 and 12 students are invited to attend the Tertiary Expo from 3.30pm to 5.00pm on 2 August.

Please note the following key dates:

<p>2 August</p>	<p>Compulsory Subject Selection Information Evening for Year 9 into 10 and Year 10 into 11. The information will be presented twice. Current Year 9 and 10 families should select one session to attend.</p> <p>Year 9 students who have indicated their preference for the Edmund Rice Pathways Program (ERPP) in 2019 need not attend. For students undertaking the Edmund Rice Pathways Program (ERPP) or Victorian Certificate of Applied Learning (VCAL) in 2019, subject selection will be processed by Mr. John Nicholls through the interview process currently underway. Please note current Pathways students' subject selection/VET selections are also processed by Mr Nicholls.</p> <table border="1" data-bbox="284 1070 1150 1664"> <thead> <tr> <th>TIME</th> <th colspan="2">PROGRAM</th> </tr> </thead> <tbody> <tr> <td>3.30 – 5.00pm</td> <td colspan="2">Learning Area & Tertiary Expo (Current Year 11 & 12 students only) College Hall</td> </tr> <tr> <td>4.15 – 5.00pm</td> <td>Year 10 into 11 presentation The Atrium</td> <td>Year 9 into 10 presentation Rivergum Theatre</td> </tr> <tr> <td>5.00 – 6.00pm</td> <td colspan="2">Learning Area & Tertiary Expo (Current Year 9 & 10 families) College Hall</td> </tr> <tr> <td>6.00 - 6.45pm</td> <td colspan="2">Staff dinner break</td> </tr> <tr> <td>6.00 – 6.45pm</td> <td>Year 10 into 11 presentation The Atrium</td> <td>Year 9 into 10 presentation Rivergum Theatre</td> </tr> <tr> <td>6.45 – 7.30pm</td> <td colspan="2">Learning Area & Tertiary Expo (Current Year 9 to 12 families) College Hall</td> </tr> </tbody> </table>	TIME	PROGRAM		3.30 – 5.00pm	Learning Area & Tertiary Expo (Current Year 11 & 12 students only) College Hall		4.15 – 5.00pm	Year 10 into 11 presentation The Atrium	Year 9 into 10 presentation Rivergum Theatre	5.00 – 6.00pm	Learning Area & Tertiary Expo (Current Year 9 & 10 families) College Hall		6.00 - 6.45pm	Staff dinner break		6.00 – 6.45pm	Year 10 into 11 presentation The Atrium	Year 9 into 10 presentation Rivergum Theatre	6.45 – 7.30pm	Learning Area & Tertiary Expo (Current Year 9 to 12 families) College Hall

**Please note that, except for ERPP and VCAL students,
every current student will receive a personalised Subject Selection email**

**Years 7, 8 and 11 students will receive their email on 27 July
Years 9 and 10 students on 3 August.**

The email contains your son's individualised details for Web Preferences, with instructions and a link for accessing subject details on the Subject Selection section of the Parent Portal. The subject selection assemblies and evening address all of the subject offerings, prerequisites, completion of the online form etc. The sessions are most important as it is imperative that your son chooses his subjects wisely. We ask all parents of Year 9 and 10 students to attend the evening with their son(s).

At the Subject Selection Evening on 2 August, College staff will be available before and after each session to answer any queries that may arise about 2019 Year 10 and Year 11 courses. They will be allocated to Learning Areas in the College Hall, and will be able to assist with any matters that may need clarification.

In addition, representatives from tertiary institutions will be present and available to Year 9 to 12 families. While the formal presentations in Rivergum Theatre and The Atrium are aimed at current Year 9 and 10 families, Year 11 and 12 families, while not required to attend this evening, are encouraged to make the most of the opportunity to discuss courses with tertiary representatives exclusively from 3.30pm to 5.00pm. The remaining times are designated for current Year 9 and 10 families.

We look forward to meeting with Year 9 and 10 families at the Subject Selection Evening on 2 August.

Please note that there will be no formal classes for students on this day as all staff are involved in a Professional Development Day.

EREA Parent Survey

Thank you to all of the parents who participated in the EREA parent survey. This survey is now closed and the information supplied will support EREA into the future.

Information Technology upgrades at Parade

Over the mid-year break, our IT Department will update a number of software packages on the College network, and complete a necessary rationalisation of email addresses to allow students and staff to fully utilise advances with Microsoft Office 365.

This software will ensure that our students are supported in learning activities with their learning devices and ensure that our network is secure and maintains its integrity for educational purposes.

If parents have any enquiries regarding iPad support for Years 9 and 12, or College Laptop support for Years 7,8,10 and 11 please direct your enquiries to laptops@parade.vic.edu.au or at the IT Service Desk at the College.

Upcoming Events

It is important to note that many of our annual events are booked out long before the events take place. To assist with your planning please take note of the following event details:

Metec Driver Training Wednesday 26 September

Year 10 students will again have the opportunity to be involved in a driver training session during the third term school holidays. This will be held on Wednesday

26 September at Metec in Bayswater, and is supported by our Parents of Parade Committee. This event must have its final numbers confirmed by the end of July so that cars and driving instructors can be secured.

The College will send further details to parents via email at the commencement of next term. Alternatively, students can collect a permission form from Ms Ireland in First Aid.

Students must return the permission form and the payment of \$110 to secure their place no later than 30 July.

I hope many Year 10 boys take up this opportunity. All enquiries can be directed to community.events@parade.vic.edu.au

Father and Son Winter Games Night Monday 13 August College Hall, Bundoora Campus

The evening will commence at 6.00pm with a BBQ outside College Hall., and then “the Games begin at 7.00pm with activities such as Foosball, Darts, Quoits, Tower Building and Golf Putting. The evening concludes at 9.00pm after some prizes have been awarded.

Sporting prowess and fitness are not required to participate in what will certainly be an enjoyable night. Whilst hand/eye coordination may assist with some activities, the ability to use your powers of ‘thinking’ will assist in other areas.

The format of the night is based on ‘Tabloid Activities’ whereby fathers/guardians and son complete a range of activities. If fathers are unable to attend, then a guardian or older brother is more than welcome to come along and enjoy the evening.

This activity can only cater to a maximum of 160 participants (80 pairs) so please secure your booking via the College website when bookings open on 30 July. Entries on the evening cannot be catered to. A donation of \$10 per family (payable on the night) includes all food and drinks.

All enquiries can be directed to community.events@parade.vic.edu.au

Father's Day Breakfast

Wednesday 29 August 7.00am

Yarangabee Centre, Bundoora Campus

The annual Father's Day Breakfast will commence with a breakfast of hot BBQ and cold foods, with coffee, tea and warm drinks available.

The format of the morning will be based on light entertainment and the opportunity for fathers and sons of the College to interact with other fathers and sons. There will again be some light entertainment and games provided by our Masters of Ceremonies and the event will conclude by 8.30am to allow students to attend class and fathers to work.

Entry will be a \$10 donation per family (payable on the morning) and includes all food and drinks.

Bookings for the Father and Son Winter Games Night and the Fathers Day Breakfast is through the College website available from 30 July, 2018

Specific enquiries can be directed to the College via email: community.events@parade.vic.edu.au

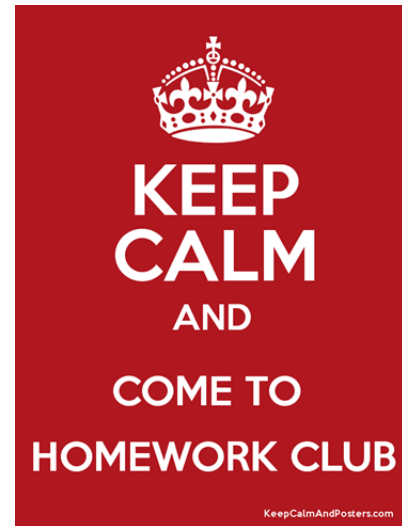

Epipens and Excursions

Parents of students that are at risk of anaphylaxis should be aware that, in response to Ministerial Order 706, it is College policy and a requirement of legislation that students who attend the College must have supplied the College with a valid Epipen and a current anaphylaxis action plan for their personal use.

In order for a student to attend an excursion or event off the premises they must carry BOTH their individual College Epipen and their spare Epipen from home. This is to ensure that sufficient medications are available should the student require them.

If parents have specific enquiries about Epipens please contact Ms Ireland in First Aid at our Bundoora Campus.

Delivery of Messages and Unplanned Departure of Students

Parents and Guardians are reminded that timely delivery of messages and/or personal items is not possible due to constant student movement in a Secondary School.

Whilst every reasonable attempt will be made to deliver ***important messages only***, parents are advised that we cannot guarantee timely delivery.

Parents/Guardians arriving unexpectedly requesting to collect students for urgent appointments may face a delay of up to 45 minutes. Please ensure you allow sufficient time prior to the appointment.

Every Little Bit Counts

A Native American saying goes “*We don’t inherit the Earth from our ancestors; we borrow it from our grandchildren*”.

This week at Parade we are all being challenged to consider what sort of world we want to leave for our grandchildren and great grandchildren.

Sometimes it all seems too hard. It seems like the problem is too big and our lifestyles rely too heavily on plastic and other fossil-fuelled convenience.

Reuse
Reduce
Recycle

In the spirit of Mahatma Gandhi however, we can *be the change* we want to see in the world.

If many of us make small changes, we will not only feel more hopeful for the future, we will be an example to others who might follow and we will send an important message to government, that this is important to our community.

So, what are some of the little things we can do?

- Cut down on our use of plastic that we only use once eg. Cling wrap, plastic bags, straws, plastic cutlery, disposable plastic containers and disposable drink bottles. Instead, go “nude” with our food, bringing it in reusable containers and bringing cutlery from home. If going nude is not an option, wrap sandwiches and other food in greaseproof paper or put in brown paper bags.

- Bring a reusable water bottle rather than throw away bottles.
- Buy snacks in bulk and then divide into small containers or paper bags to avoid the use of the convenient packaging that potato chips and other snacks come in.

We would love to be able to halve the amount of rubbish we are producing at Parade and we appreciate all of the small efforts members of our community make.

Every little bit can and *will* make a difference.

Mrs Kylie Kuppe
Director of Ministry

Environment Week At Parade

'Everyone Can Make a Difference'

Along the existential lines of poverty and conflict, the sustainability of our planet presents itself as one of the most complex and concerning issues of our time.

A significant aspect of that issue is plastic in our society. That is, our dependence on it despite us knowing that it comes from finite fossil fuels. Plastics take many years to decompose once discarded, ending up in our most sacred sites – oceans, forests and someone's home. The United Nations reports that annually over 8 million tonnes of plastic end up in our sea.

This week at Parade College is *Environment Week* in which we come together to recognise the challenge that confronts our planet. One of the most fundamental ways to address the issue is through awareness of one's relationship with the environment – to demonstrate why we should take interest and make transformative decisions.

For several years, the Advocacy Team has been undertaking campaigns to promote awareness of this issue including *Environment Week*. From discussions and activities integrated in classes to the upcoming visit by the Shadow Minister for Education Andrew Giles (MP for Scullin) to provide his perspective on the matter, we are striving to foster a mindset where care for the planet is considered when we make all of our decisions.

The theme for the week is 'Everyone Can Make a Difference,' in reference to how every conscious decision for our planet, no matter how seemingly small, can culminate in greater effort to solve this problem by the reduction of plastic dependency and in search for alternatives.

The time has come and we are at a crossroads in choosing paths that may very well have irreversible consequences for all.

It is a choice between the path to a deserted wilderness or to a land of natural wonders for our future generations. It is a common issue, the earth as our mutual home, which requires a shared response - something from which we cannot simply opt-out.

The great English naturalist and broadcaster, David Attenborough, in his documentary *Blue Planet II*, once recalled of a "heartbreaking" moment of witnessing an albatross feed its young a plastic toothpick only for it to die from it. As the carers of the world, rather than starving its life, we must endeavour to fight for its preservation – as a candle of its existence against the darkness of space.

May we all rise to that challenge.

Thank you on behalf of the Advocacy Team,

Gary Huang

Year 10 Food Studies

Wrapping up Year 10 Multicultural Cookery

Recently the Year 10's enjoyed some hands on revision when they came together as a class and shared a variety of multicultural dishes they had researched, selected and prepared!

The students were all incredibly proud of their achievements and enjoyed speaking about what they had learnt and how they had prepared their dish.

Dishes included Kokis (Sri Lanka), Fritule (Croatia), Sago Pudding (Malaysia), Ross Il Forn (Malta), Peppermint Tart (South Africa), Burek (Macedonia) and Ramen (Japan), to name a few.

Needless to say, this went down as a favourite for the semester and we all left with very full bellies. Enjoy the photos showing the students and a small selection of what was on offer on the day!

World Scholars' Cup

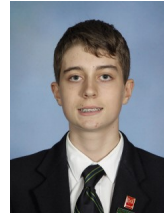

Over the weekend of 25 and 26 May, eighteen students from Parade College joined with nearly three hundred other students at Genazzano College in Kew to participate in the 2018 Melbourne Round of World Scholars' Cup. The teams from Parade College consisted of students from Years 8 to 11, with a few boys participating for the first time.

World Scholars' Cup is an international team academic program with students participating from over the world. The World Scholar's Cup has attracted what it calls "a global community of future scholars and leaders", and promotes that it allows participants to "discover strengths and skills you never knew you had." It focuses on bringing students from different cultures together to discuss issues and ideas relevant to today. Successful teams can earn the right to attend the Tournament of Champions at Yale University in November.

Students work in teams and individually in a series of activities such as a Team Debate, Collaborative Writing and the Scholars Bowl, which is a multiple choice team competition. This year all six teams from Parade College have been invited to participate in the Global round in Melbourne in August.

My Experience

On the 25 and 26 May, eighteen Parade students attended the Melbourne round of the World Scholar's Cup. It was a two day experience that was both exciting and challenging.

The theme this year was 'An Entangled World'.

Prior to this event, we learned about certain topics that explored a universal language where all cultures come together. We were challenged by debating, writing and a multiple-choice test which tested our knowledge of the subject areas. We worked collaboratively in teams of three to achieve a great result.

You get to meet like-minded students from other schools, while competing in a fun atmosphere.

During the closing ceremony, everyone is rewarded for their hard work, with plenty of medals and trophies up for grabs.

I recommend this event for students who enjoy working together in a unique and challenging way.

South East Clay Target Shooting Championships

The South East Clay Target Shooting Championships will be held at the Frankston Clay Target Shooting Club (Rossiters Road, Carrum Downs – Melways 98 C 9) on Thursday 2 August.

The Championships are not for beginners and all participants must have their own firearm and licence.

Students interested in being involved in these Championships should see Mr Gaut in E44 for further details.

Term 2 Sports Photos

The Parade ACC Sports Team photos for Term 2 sports will be developed from the students' individual portrait photo taken at the beginning of the year.

To ensure all students who represent the College in a specific team are truly acknowledged, students are asked to check team lists which are posted on the Sports Noticeboard above the Senior Canteen (Bundoora Campus) and on the Sports Noticeboard (Preston Campus).

If a student represented a team, but their name is not included on the team list, then they must see Mr Gaut (Bundoora) or Mr Watson (Preston) by Friday 29 June.

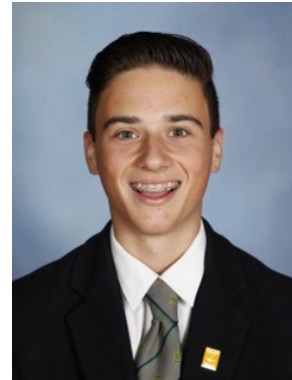

Teams posted are as follows –

- ACC Football – Years' 7 to 12
- ACC Soccer – Years' 7 to 12
- ACC Badminton – Years' 7 to 12
- ACC Senior Golf

Parade Student Excel on the Sporting Field

Congratulations to the following students who have excelled on the sporting field –

Phillip Pettinella, Year 11 T01, has been umpiring in the Northern Football League for a number of years as both a field and goal umpire. Phillip has just been promoted to the VFL Rookie Squad and is hoping to officiate at VFL level in the near future.

Representing Victoria at the National Figure Skating Championships, Year 7 student Alex Carter, B17, who was the National Champion in 2016, and finished 2nd in 2017, will again compete at the National event later in 2018.

From The Old Paradians

Tickets now on sale to Encore

Tickets are now on sale in the countdown to *Encore! 21 years of Parade College Musicals* - at Melbourne's iconic Athenaeum Theatre.

Presented by the Old Paradians' Association, *Encore* brings together the largest ensemble of cast, orchestra, crew and production teams in a one night only musical retrospective on Saturday 25 August.

Former students of Parade College - together with those of Our Lady's, CLC, Mercy and Santa Maria who previously featured in productions including *Oliver*, *Godspell*, *Les Miserables*, *West Side Story*, *Wizard of Oz*, *Aida*, *Hairspray* and *Catch Me If You Can* - are all committing their talents and energies to *Encore*.

Encore! 21 years of Parade College Musicals are now on sale for \$49* through Ticketek. **Book here** to avoid disappointment . . . and see you at the theatre!

Old Paradians feature in Queen's Birthday Honours

Old Paradians the Rev Father Joseph Caddy (1977) and Anthony McAleer (1983) have both been recognised in the 2018 Queen's Birthday Honours list.

Ordained in 1990, Fr Joe (pictured above) was awarded an Order of Australia Medal (AM) in the General Division for "significant service to the community through a range of social welfare initiatives and policy reforms, and to the Catholic Church in Australia", and Anthony an OAM "for service to the community and military history".

Fr Joe is Episcopal Vicar for Social Services in the Melbourne Archdiocese, the former CEO of CatholicCare in Melbourne, and is presently parish priest at St Mary's in East St Kilda. Apart from his academic qualifications of Bachelor of Theology (Melbourne), Fr Joe holds degrees in Social Sciences from the Gregorian University Rome, where he focused his studies on Catholic social teaching and social ethics and economics.

"Australia is a wonderful country and so it is a huge privilege to receive this award. In a way it is a recognition of all those who work in the Church and its agencies for a fairer society, especially for those who are poor or in any way disadvantaged," Fr Joe said.

"While I am enormously honoured to receive this recognition I would be even more pleased to see our Australian society step up do more for those who are in need.

"We are a generous and big hearted people but at times our policies towards those who are seeking asylum or who find themselves unemployed are unnecessarily mean. We lock increasing numbers of our indigenous brothers and sisters

and our poor in prisons which fail to improve their life chances or make our communities safer.

“We can do better on many fronts and I am sure that as a nation we truly want a fair go for all.”

Anthony, the Mount Evelyn-based author, researcher and historian, (pictured above) was recognised for service to the community and to military history.

Through his involvement with Mt Evelyn and Lilydale RSLs, as a committee member on the Seville War Memorial Committee, author of several books on local and military history, and through numerous talks with school and other groups, Anthony has brought focus the personal stories and bigger picture of Yarra Ranges' military history.

For the 1997 Yarra Ranges Shire Citizen of the Year, and recipient of the Centenary of Federation Award, the award is overwhelmingly a great honour.

“It certainly gives a big tick to some of the stuff I’ve been able to achieve over the years, and not just the written histories,” Anthony told the *Yarra Valley Mail*.

“It’s also the material collected for archives, the memorials we’ve created, the ceremonies, working with schools and other groups, and this is recognition that it’s appreciated.”

Anthony’s commitment to community as a volunteer and as a researcher in military history commenced around 1990 through his involvement with Lilydale RSL and Lilydale & District Historical Society. He has served as secretary of Mount Evelyn RSL since 2002, is editor and producer of its monthly newsletter, and is a member of the Mount Evelyn History Group.

He also serves Museums Victoria as team leader and tour guide at the Immigration Museum.

“I’ve always had an interest in Australian history, and especially Australian military history and that sparked my curiosity around what happened locally – how did that broader heritage affect the area that I’m living in, and what part did this area play in Australia’s military history?,” Anthony said. “I started to scratch away and it and it was just extraordinary.”

90 Years young - OP’s roll out new blue strip

Pictured recently being chaired from the field by Will Gilmore (2012) and Jake Plunkett (2012) is Marcus Nolan (2012), basking in the afterglow of the Old Paradians’ 23-point victory over Eltham College and their ninth win from as many starts.

This was a history-making moment in more ways than one for Marcus, who completed game No.100 for the OPs on a day in which all members of the senior 22 sported the football club’s newly-adopted alternative strip for the first time.

As part of a VAFA directive, the Old Paradians were required to provide an alternative to the familiar emerald green guernsey with purple trim, to prevent clashes with opposition teams like the Turtles who also carry green and who hosted the OPs at Eltham on this occasion.

The club, in its wisdom, opted to go back to the future, replicating the dark navy guernsey with purple and green horizontal band across the chest – in keeping with the design adopted in the foundation season of 1929 when the likes of Bryan Cosgrave (1922) and Allan La Fontaine first took to the field for the old boys.

After the match, Marcus, a member of the OPs' 2015 D2 Premiership team in what was his first season of senior footy, commended the club for its "back to the future" call on the alternative strip.

"I love this guernsey. It's sharp and it's bold," Marcus said. "There's also the heritage aspect, as we're all familiar with the '29 team photograph hanging in the rooms, where all those players of yesteryear are wearing the dark navy woollen guernseys.

"What was also good about wearing the alternative strip was that it gave me a chance to wear a different number – No.10 today as opposed to the usual No.30 – because the larger numbers reflected the larger guernsey sizes."

A long-term injury to captain Chris Kandilakis (2008), along with the World Cup departures of the jet setting McCann brothers Andrew (2014) and Luke (2012), Keenan Posar and Matt Mahony (2012), meant that a number of changes were forced for the Eltham match . . . but crisis creates opportunity as Marcus observed.

"I still feel like a young bloke out there to be honest, but it's good to see a few younger blokes coming through," he said. "A couple of Unders players stepped up for this game as senior debutants and hopefully they can continue to fulfil their roles and slot in nicely."

10 Years on, "some things never change"

Fifty-four members of the final year class of 2008 recently gathered in the Hickey Foyer, ten years after they completed their schooling at the Bundoora Campus.

Joining former students at the 10-year reunion were teachers John Cornish, Carla Di Vito and Jim Seymour, together with the Principal Dr Denis Moore.

Chris Sullivan, the 2008 Parade Captain who addressed the reunion gathering, spoke for all his College contemporaries when he said it was as if they'd never left.

"Things basically picked up from where they left off – it was as if the ten years had gone in the blink of an eye," Chris said in the aftermath of the reunion. "A lot of the banter continued, similar to what it was in 2008. Some things never change.

Beyond the Hickey Foyer, the former students gathered at the Frank Mount Social Room at the Garvey Oval, to share memories of a special time in their lives.

The Old Paradians' Association extends its sincere thanks to Cheema Brondolino, Phil Carter, Bryan Collins and Sandra Ross for supporting the reunion.
