

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 13 31 July 2019

From the Principal

At this stage of the term students at Year levels 7 to 11 are in the process of making subject selections for 2020. When this is complete we begin the complicated task of preparing classes and timetabling for next year. There is an important event this Thursday afternoon/evening regarding subject selection for current Year 9 and 10 students to help them and their parents make wise selections of courses. Details appear later in this *Newsletter*.

There are a number of other significant events this term. The Father/Carer and Son Winter Games Night takes place on Monday 12 August. Details for booking are in this *Newsletter*, but places are limited so book early. The Annual Fathers' Day Breakfast is scheduled for the morning of Wednesday 28 August in the Yarangabee Centre. Bookings for both events must be made via Trybooking.

A reminder that Parade and Mercy College students are presenting a very entertaining play based on Shakespeare's classic play *A Midsummer Night's Dream* from 29 to 31 August. Details of booking procedures are on page 7 in this *Newsletter*.

The College is currently reviewing and updating the Master Plan. The purpose of master planning is to look to the future of Parade College in the context of our history, culture and values. It will establish the guidelines by which we foster campuses of learning that will endure into our next 150 years. One of the areas that has become evident is the need to update our student toilet facilities at both campuses. We have begun this process at the Bundoora Campus in the

oldest part of the school, the Mt Sion Building, and will gradually roll out the program to Preston and the remaining Bundoora areas.

On Monday, the staff participated in an excellent professional development day focused on Mission and Catholic Identity organised by Parade's Ministry Team. We were blessed with three presenters: Dr Carmody Grey who is the Assistant Professor of Catholic Theology at the Centre for Catholic Studies, University of Durham, UK; and Darby Carr and Mary Flaskas from *Inclusivity Consultants*. Carmody explored the notion of God as Communion and the implications for Parade College as a Catholic School in the Edmund Rice Tradition. Darby and Mary worked with staff to assist us in creating a safe and supportive learning environment for LGBTIQ students.

Please remember that the second Working Bee for the College takes place at each campus on Sunday morning 18 August. All contributions will be welcome.

Mr Andy Kuppe
Acting Principal

Parade College & Mercy College Year 10 Dancing Classes

Classes start Wednesday 31 July
Late applications are being accepted
Contact Ms Rowan, Mr Nicholls,
or your House Leader ASAP

From the Assistant Principal - Teaching & Learning

Families have received printed information regarding the upcoming subject selection for 2020. This information was also emailed last week.

Students in Years 7, 8 and 11 also attended information assemblies last week.

Year 9 and 10 students and families will receive important subject selection information on the afternoon and evening of Thursday 1 August.

Current Year 11 and 12 students are also strongly encouraged to attend the VCE and Tertiary Expo from 3.30pm to 4.30pm.

TIME	PROGRAM	
3.30 – 4.30pm	Learning Area & Tertiary Expo (Current Year 11 & Year 12 students only) College Hall	
3.45 – 4.15pm	Year 9 into Year 10 presentation Rivergum Theatre	Year 10 into Year 11 presentation The Atrium
4.15 – 5.00pm	Learning Area & Tertiary Expo (Current Year 9 & Year 10 families) College Hall	
4.30 – 5.00pm	Year 9 into Year 10 presentation Rivergum Theatre	Year 10 into Year 11 presentation The Atrium
5.00 – 5.45pm	Learning Area & Tertiary Expo (Current Year 9 & Year 10 families) College Hall	
5.45 - 6.30pm	Staff dinner break	
6.15 – 6.45pm	Year 9 into Year 10 presentation Rivergum Theatre	Year 10 into Year 11 presentation The Atrium
6.45 – 7.30pm	Learning Area & Tertiary Expo (Current Year 9 to Year 12 families) College Hall	

The information for **Year 9 and 10** students and families will be presented three times; families should select one session to attend.

Year 9 students whose preference is for the Edmund Rice Pathways Program (ERPP) in 2020 and VCAL students need not attend.

For students undertaking ERPP or VCAL in 2020, subject selection will be processed by Mr John Nicholls through the interview process currently underway.

Please note, current Pathways students' subject selection/VET selections are also processed by Mr Nicholls.

Please note the following key dates:

2 August: Subject Selection Workshop in Tutor Period (current Years 7, 8, and 11)

7 August: Subject Selection online submission due for current Years 7, 8, and 11

Printed Web Preferences receipt forms due to Tutor Teacher by 8 August.

8 August: Subject Selection Workshop in Tutor Period (current Years 9 and 10)

14 August: Subject Selection online submission due for current Years 9 and 10

Please note that, except for ERPP and VCAL students, every current Years 7, 8 and 11 student received a personalised Subject Selection email at 2.00pm on 26 July. Years 9 and 10 students will receive their email on 2 August.

The email contains your son's individualised details for Web Preferences, with instructions and a link for accessing subject details on the Subject Selection section of PAM.

The subject selection assemblies and evening address all of the subject offerings, prerequisites, completion of the online form, etc. The sessions are most important as it is imperative that your son chooses his subjects wisely.

Except for ERPP and VCAL students, we ask all parents of Year 9 and 10 students to attend the evening with their son.

At the Subject Selection Evening on 1 August, College staff will be available before and after each session to answer any queries that may arise about 2020 Year 10 and Year 11 courses. They will be allocated to Learning Areas in the College Hall and will be able to assist with any matters that may need clarification.

In addition, representatives from tertiary institutions will be present and available at a **VCE and Tertiary Expo** to Year 9 to Year 12 families.

While the formal presentations are aimed at current Year 9 and 10 families, Year 11 and 12 families are encouraged to make the most of the opportunity to discuss courses with tertiary representatives exclusively from 3.30pm to 4.30pm. The remaining times are designated for current Year 9 and 10 families.

We look forward to your attendance at the Subject Selection Evening on 1 August.

Mr Geoff Caulfield
Assistant Principal - Teaching and Learning

From the Registrar

Year 7 2021 Enrolments close on Friday 23 August 2019

Applications are now being accepted for 2021 and beyond. If you have a son currently at the College you are still required to submit an application form for any younger siblings. Please contact me on 9468-3304 or email registrar@parade.vic.edu.au to obtain an Information pack.

Collection of School Information by the Australian Government under the Australian Education Act 2013

We are required to publish information about the collection of school information data. This information can be found toward the end of this *Newsletter*.

Metec Driver Training in Term 3 Holidays

Supported by the Parents of Parade Committee, Year 10 students will again have the opportunity to be involved in a driver training session during the school holidays on Friday 4 October at Metec in Bayswater.

We must have final numbers confirmed by Monday 5 August so that cars and driving instructors can be secured.

Interested students can collect a permission form from Ms Ireland in First Aid.

Students must return the permission form and the payment to secure their place no later than 5 August.

I hope many Year 10 boys take up this opportunity.

All enquiries can be directed to community.events@parade.vic.edu.au

Father and Son Winter Games Night Monday 12 August in College Hall at the Bundoora Campus for Year 7 and 8 Students

The evening will commence at 6.00pm with a BBQ, progress with activities such as Foosball, Darts, Quoits, Tower Building and Golf Putting, then conclude with some prizes being awarded. The evening will conclude by 9.00pm.

Sporting prowess and fitness are not required to participate in what will certainly be an enjoyable night. Whilst hand/eye coordination may assist with some activities, the ability to use your powers of 'thinking' will assist in other areas.

The format of the night is based on 'Tabloid Activities' whereby fathers and sons complete a range of activities. If fathers are unable to attend, then a guardian or older brother is more than welcome to come along and enjoy the evening.

This activity can only cater to a maximum of 160 participants (80 pairs), and for this reason we suggest booking early.

A donation of \$10 per family is payable when you book through Trybooking and includes all food and drinks.

<https://www.trybooking.com/BEGCS>

All enquiries can be directed to community.events@parade.vic.edu.au

Father's Day Breakfast Wednesday 28 August, 7.00am in the Yarrangabee Centre at the Bundoora Campus

The Annual Father's Day Breakfast will commence with a breakfast of hot BBQ and cold foods, coffee, tea and warm drinks are available.

The format of the morning will be based on light entertainment and the opportunity for fathers and sons of the College to interact with other fathers and sons. This year sees the return of some light entertainment and games provided by our Masters of Ceremonies and will conclude by 8.30am to allow students to attend class and fathers work.

A donation of \$10 per family is payable when you book through Trybooking and includes all food and drinks.

<https://www.trybooking.com/BEGDI>

All enquiries can be directed to community.events@parade.vic.edu.au

Bookings for both of these events is through Trybooking via the links on the College website and above, and will be available from 29 July 2019. An email reminding parents about these events has been sent. Specific enquiries can be directed to the College via email:

community.events@parade.vic.edu.au

Evacuation Drills

Parents should be aware that the College conducts regular evacuation drills throughout the year. These drills are a normal part of the College's Emergency Management Plan.

The drills serve as an educative tool and allow the staff and students to practice and discuss evacuation as a positive and normal procedure within the community. In the rare occasion that the College needs to implement its emergency plans parents will be communicated with via SMS.

2020 Term Dates and Students Holiday Absence

Please note below the 2020 term dates. Parents are asked to consider carefully any holidays or events that withdraw students from the College and their studies during the term.

If you wish to withdraw your son during the school term, please notify the College by contacting your sons House Leader prior to the event and advising the College Principal by writing to Mr Callanan, Assistant Principal Organisation.

Term 1

Sunday 26 January	Australia Day
Monday 27 January	Australia Day Holiday
Tuesday 28 January	All staff return
Friday 31 January	Year 7 and 12 commence
Monday 3 February	Years 8, 9, 10, and 11 commence
Monday 9 March	Labour Day Public Holiday
Friday 27 March	Term 1 finishes

Term 2

Monday 13 April	Easter Monday
Tuesday 14 April	Term 2 commences
Monday 8 June	Queens Birthday Public Holiday
Friday 26 June	Term 2 finishes

Term 3

Monday 13 July	Term 3 commences
Friday 18 September	Term 3 finishes

SAFE SCHOOL BUS TRAVEL

For students

- Stand well back from the road and don't push and shove when waiting for the school bus.
- Only approach the kerb once the school bus completely stops.
- While on board sit down and hold on.
- If the bus has seatbelts you must wear them at all times.
- Be aware that your noise levels and behaviour could distract the driver.
- When leaving the bus never cross the road until the bus has moved away and you can clearly see all road traffic.
- Remove your headphones and ignore your mobile phone so that you can be fully aware of your surroundings.

For parents

- Try to park on the same side of the road as the school bus stop so your child doesn't have to cross the road. Remember many school bus stops are located on roads that have 80/100 km speed limits.

For car drivers

- Slow down and watch for students when you see a school bus has stopped.

BUS SAFETY - A SHARED RESPONSIBILITY.

Delivery of Messages and Unplanned Departure of Students

Parents and Guardians are reminded that timely delivery of messages and/or personal items is not possible due to constant student movement in a Secondary School.

Whilst every reasonable attempt will be made to deliver ***important messages only***, parents are advised that we cannot guarantee timely delivery.

Parents/Guardians arriving unexpectedly requesting to collect students for urgent appointments may face a delay of up to 45 minutes. Please ensure you allow sufficient time prior to the appointment.

From the Director of Music

Instrumental Music enrolments for Semester Two have now closed. Thank you to all parents who have enrolled their children in Instrumental Music lessons for this semester.

One of the biggest events in the Music calendar, the annual College Winter Music Concert, is fast approaching and will take place on Monday 19 August at 7.00pm in the Rivergum Theatre. All parents and friends are invited to attend the concert to support the students and bands performing. Parents will receive information regarding their sons involvement in the coming weeks.

The invitation still remains open for all interested students to join the Parade Vocal Ensemble. A new initiative at the College this semester, the Vocal Ensemble provides students with the opportunity to further their vocal skills whilst developing their confidence. Rehearsals take place every Monday at lunchtime in W41, and a commitment to weekly rehearsals is required.

We are excited to announce the formation of the Year 7 and 8 College Band this semester. The junior students are extremely passionate and dedicated and have already commenced rehearsing for their debut performance at the Winter Music Concert. Students who were part of the Year 7 band in 2018 are welcome to be a part of this ensemble and should see Ms Calia to sign up.

Selected students from Year 7 and 8 should have received an invitation to join a Junior Big Band. This ensemble will rehearse Tuesday at lunchtime under the direction of Brass and Senior Big Band teacher Mr Anthony Foon. It will focus on Jazz and Stage Band repertoire and develop skills to encourage student progression to the senior big band.

It looks to be a busy few weeks for the Big Band with Parade College looking forward to hosting the ACC Stage Band Day 12 August, performing at the Victorian Schools Music Festival 13 August, and capping off the week with a College Assembly on 16 August, they will be on a roll for the

Winter Music Concert and are very excited to have a solid run of gigs coming up.

The VCE Music class and Vocal Ensemble were lucky to be invited to perform with Shane Howard from legendary Australian Rock Band 'Goanna'. Shane was at the College as part of Environment Week speaking about his experience as a performing artist and the impact to make a difference through the Arts. It was an insightful talk and wonderful to hear him perform and perform along-side him.

Community Action Report

Year 10 Community Action Program

Last term, as part of his Community Action Program, Luca Franco (Year 10 L01) completed a placement at 'My Community Health Men's Shed' at East Reservoir Health Centre.

Luca was a helpful participant in the wonderful Bike Recycling Program, that sees pre-loved bikes fixed and donated to families. When I visited Luca on placement the coordinators and volunteers were full of praise for his enthusiasm and aptitude.

Luca is continuing to help by running a collection of secondhand bikes and bike parts. If you have any donations please drop them off at the College.

Ms Anne-Marie Morello
Community Action Convenor

Preston Solidarity Action Month

Supporting MacKillop Family Services

During the month of August, the Parade College Preston community will be collecting donations for MacKillop Family Services. These donations will be given to children who are currently homeless or living in foster care around Melbourne.

Each week, we will be asking for a different category of items. New or near-new items are preferred. Please bring your donations to your Tutor Teacher or Preston Reception.

Week One: 5 to 9 August

Clothes or gifts for girls. Ages 0-12

Week Two: 12 to 16 August

Clothes or gifts for boys. Ages 0-12

Week Three: 19 to 23 August

Clothes or gifts for girls. Ages 13-18

Week Four: 26 to 30 August

Clothes or gifts for boys. Ages 13-18

Ms Sarah Melenhorst
Ministry Team

Old Bikes and Bike Parts Donations Needed

WE WANT YOU!

DO YOU HAVE ANY OLD BIKES OR SPARE BIKE PARTS? 'YOUR COMMUNITY HEALTH RESERVOIR' NEEDS THEM NOW!

Any inquires contact Ms Morello in the Community Action centre at recess or lunch.

Recording a Parent Notified Absence on PAM

Parents and Guardians are reminded that you are able to use PAM to record a student absence for daily or multiple days

Please ensure the absence is recorded before 9.30am to avoid a SMS absence Alert being generated

Please call the College on 9468-3300 for further assistance if required

Envision Hands - Bottle Top Collection

Thank you to all the families, staff, and local community members for their donations of collected bottle tops. We have so far collected thousands. These will go a long way to helping Envision Hands deliver much needed prosthetics to amputees.

On a personal note, on Monday afternoon I loaded my boot and backseat up with bags upon bags of the bottle tops and delivered them to a collection and sorting point in Thomastown. I was amazed at the sheer volume of bottle tops donated to the organisation, with their warehouse stacked to the roof and their workers kept very busy sorting and processing the caps.

It was interesting to see the caps sorted by colour and type, and shredded into their final product ready to be used in the 3D printing machines that make the prosthetics.

*Above: Finn Montagnana-Wallace Yr7 H21
with his bag of donated bottle tops.*

Special mention to Jonte Butler Year 7 H14 who has dropped off hundreds of plastic tops.

We are still accepting more donations throughout the term.

Mr Lucas Zugaro
Community Action

Our biggest project yet!

Parade College is joining with Envision Hands and their mission to create 100 prosthetic hands out of recycled plastic from bottle caps using 3D printers.

These hands will be donated to under-privileged children in need.

The bottle caps are turned into filament for 3D printers and are used to print out the components that make up the hand.

There will be drop boxes in each Tutor Group for you to deposit your caps into. You will receive House points for your donation.

Any form of plastic bottle cap is accepted.

<https://envision.org.au/envision-hands/>

Carpentry Students 'Nail it Again'

Recently the Parade Trade Centre Team were involved in a Community Action project for St Pius X Primary School in Waterdale Road, Heidelberg.

The Trade Centre Carpentry Team was approached by school Gardening Coordinator Kylie Johnston and asked if they could build four planter boxes for the school community garden

Under the guidance and direction of Trade Centre Teacher Simon Hogan, the students again stepped up to the plate, eager to help in any way possible.

The students followed the practices from their unit of work CPCCCM1012A 'Work Effectively and Sustainably in the Construction Industry', where they were extremely environmentally conscious and used recycled corrugated iron donated by James Hunt from the Parade Plumbing Department.

The timber structure of the planter boxes was standard 75 x 35mm MGP F5 radiata pine. These timber structures will be painted with Watty Solar Guard paint to protect them from the elements.

Above: Trade Centre student's Zac Woolcock Yr11 L10 and Max Taynton Yr11 H10, at St Pius X upon delivery

Above: completed planter boxes

This was a very rewarding exercise where the students appreciated their hard work and end result which was for a great cause.

On completion, the planter boxes were delivered to St Pius X in Heidelberg by the students who constructed them. Kylie Johnston was there to greet the students on delivery and was more than impressed at all the hard work the Parade Trade Centre students had put in knowing full well the school would put them to very good use.

Once again the boys absolutely nailed it!

A special thanks to the Trade Centre Carpentry Team for all their assistance in this pleasurable project.

Well done boys.

Mr Simon Hogan
Carpentry Teacher

ONE OF THE
GREATEST GIFTS
YOU CAN GIVE IS
YOUR TIME

What's On

Tuning in to Teens™

Would you like to:

- Understand and communicate better with your teen?
- Guide your teen in managing their emotions?
- Teach your teen to deal with conflict?
- Help to prevent behaviour problems?

Our six session course **Tuning in to Teens™** program is designed for parents of adolescents aged 10-18 years. The program teaches parents how to help their teen develop emotional intelligence. **Emotional Intelligence may be a better predictor of academic & career success than IQ.**

Adolescents with higher emotional intelligence:

- Are more aware, assertive and strong in situations of peer pressure
- Have greater success making friends and are more able to manage conflict
- Are more able to cope when feeling upset or angry
- Have fewer mental health and substance abuse difficulties

Where: healthAbility,
917 Main Road, Eltham

When: 6 consecutive weekly sessions
commencing Mondays
12th August to 16th September

Time: 6.30pm – 8.30pm

Cost: \$120 (or \$180 per couple)
(\$60 for health care card
holders)

Bookings: Essential via
www.trybooking.com/BCWZQ

Facilitated by: Joan Lauricella Family
Support Worker and Jessica Patti Child

2019 Musical Production

THE ADDAMS FAMILY

Congratulations to the performers, back stage crew, musicians, and production staff

YOU WERE AMAZING

From the Business Manager

Monthly Statements

The College issues statements via email at the end of every month. Printed copies are only posted in the first week of each term.

If you are not receiving your statements please contact Emily Hosking on 9468-3327 immediately.

Email Addresses

Please advise us if you change your email address. The College regularly uses email to communicate with parents/guardians about important matters including fee statements and newsletters.

The provision of regular fee statements is designed to assist families to keep track of their payment plans and act as a reminder for any payments in arrears.

Please ensure you advise us of any changes to your email address.

Finance Committee Members

The College Finance Committee is looking for potential members.

If you are interested in joining the Finance Committee, or would like to know more, please contact the Business Manager, Mr Paul Harris, on 9468-3309 or via paul.harris@parade.vic.edu.au

Mr Paul Harris
Business Manager

Payment of fees can be made anytime during office hours at the College

Monday to Friday 8.15am-4.30pm

Works on Plenty Road

In January this year Yarra Trams upgraded Stop 71 on Route 86 at Plenty Road, Bundoora. To complete the upgrades the following work will be undertaken:

- Installation of a new guard rail
- Extension to the concrete maintenance strip
- Repairs to the footpath
- Completion of landscaping

These works will have minimal impact on the College however we wanted to keep you informed.

Work will take place from 9.00pm Sunday 4 August to 10.00pm Friday 16 August 2019, close to the new tram stop on Plenty Road, between McKimmies Road and College Street.

Please see the opposite page for details of this work.

Mr Anthony Glatzel
Logistics Coordinator

Tax Help

available at DVCS

TRAM WORKS

Where	Plenty Road Bundoora, between McKimmies Road and Janefield Drive
When	9pm Sunday 4 August to 10pm Friday 16 August 2019

Earlier this year, Public Transport Victoria (PTV) and Yarra Trams upgraded Stop 71 on Route 86 at Plenty Road, Bundoora.

To finish our upgrades, we will be installing a new guard rail, extending the concrete maintenance strip, repairing the footpath and completing landscaping.

Work will take place from 9pm Sunday 4 August to 10pm Friday 16 August 2019, close to the new tram stop on Plenty Road between McKimmies Road and College Street.

What to expect

- Some medium levels of noise associated with this work.
- Temporary lane closures.
- Temporary pedestrian detours around the work site.
- Day and night works.

Please follow signage and traffic management around the work zone and allow extra travel time when planning your journey. Route 86 tram services will not be affected during this work.

Plenty Road lane closures

Date	Time	Lane closures
Sunday 4 August – Sunday 11 August	9pm to 11pm	1 outbound lane closed
	11pm to 5am	2 outbound lanes closed
Monday 12 August – Friday 16 August	5am to 1pm	1 outbound lane closed
	11am to 10pm	2 inbound lanes closed

Works are dependent on weather and subject to change. We appreciate your patience while these works are completed.

For more information call 1800 800 007.

From the Director of High Performance Sport

Parade Students Continue to Excel on the Sporting Field

Congratulations to the following students on their outstanding sporting achievements:

Year 11 student Jai Lemire Yr11 L07 represented Victoria and was Vice Captain at the recent Indoor Cricket National Championships. Victoria won the event and Jai was named player of the Tournament. Jai's performance behind the stumps and with the bat was outstanding throughout the entire competition. As a result of his efforts, he was also named in the Australian All Star Team.

It was mentioned in a previous newsletter that Year 9 student, Kobe Knight (T16), was named in the AFL Indigenous Flying Boomerangs National Under 15 Squad of fifty players which played against one another in a trial game at the GMHBA stadium earlier this year. Due to his performance at this trial, Kobe was then selected to be part of the twenty-five National Player Squad which trialled again earlier in July. From these trials, ten to twelve Boomerang players will join the World Team Program to form an All Stars Team in November.

2020 ACC High Performance Sport Classes – Years' 8 to 10

To play ACC Sport in Years 8, 9 or 10 in 2020 at the Bundoora campus, students should be in an ACC High Performance class. If your son didn't play one of the specific sports listed below in 2019, but would like to be considered for that sport in 2020 and a place in an ACC

High Performance Class, then he should attend the following trials -

Cricket

Bundoora College Cricket Nets 2 August after school
3:30pm - 4:30pm

Tennis

Bunjil Park Tennis Courts 7 August and 9 August after school 3.30pm – 4.30pm

These trials are used to assess the students' abilities and possible selection into an ACC High Performance class in 2020 and are for students currently in Years' 7, 8 and 9 who didn't make a specific ACC team in 2019.

Students are asked to wear their sports uniform for the trials.

Please note, students who have played a specific ACC sport in 2019 are not required to attend the trials for that specific sport, as their performance throughout the ACC season is used to assess their possible selection into an ACC High Performance class for 2020.

However, if for example, a student played football in 2019, but didn't make the basketball team, and would like to be considered for the basketball team in 2020, then they must attend the basketball trials.

Listed below are some questions and responses that may assist in the understanding how ACC High Performance is conducted at the College.

How does a student get into an ACC High Performance Class?

When selecting subjects for 2020, students who wish to play either football or soccer must select ACC High Performance – Semester 1 as part of their subject selection.

Students wishing to play either, Basketball, Table Tennis, Hockey, Cricket Tennis or Volleyball must select ACC High Performance Semester 2 as part of their subject selection.

If a student wishes to play a sport in Semester 1 and 2 then they must selection ACC High Performance – Semesters' 1 and 2.

Please note, whilst a student may select to do ACC High Performance Sport, this does not guarantee them a position in the class. The number of students wishing to be involved in the subject is far greater than the number of positions available and as a consequence, students are selected into the subject based on a combination of some or all of the following criteria;

- Previous ACC involvement and performance
- Involvement and performance in regular Physical Education classes
- General behaviour and ability to demonstrate mutual respect to fellow students and staff
- Performance at selection trials
- Ability to uphold the school's discipline and uniform policy
- Performance in local sporting competitions Selection is completed annually

Being involved in an ACC High Performance class at one specific year level does not guarantee selection in the following year.

Selection is based on the criteria listed above. This process allows developing students who may have missed selection in one year, an opportunity to be involved in the following year.

Students who are not involved in an ACC sport in a current year, but would like to be considered for an ACC team for the following year, must attend ACC Trials as listed above.

Does involvement in an ACC High Performance class guarantee selection into a team?

No. If a student is selected into an ACC High Performance class, then they are part of a specific sporting squad. Selection for all ACC teams will then come from these specific squads.

Students who aren't selected in the final team will be involved in a Physical Education practical class during ACC matches.

What does my son do if he is not in an ACC High Performance Class?

Students not involved in an ACC High Performance Class at

Years' 8 or 9 will be involved in regular Physical Education classes. Students in Year 10 who are not involved in an ACC High Performance class would select another elective.

High Performance Classes are also offered at the Preston campus, however, trials are not required. If you have any questions regarding the trials, please don't hesitate to call Mr Phil Gaut on 9468-3380.

ACC Cross Country

The ACC Cross Country Championships is being held at Bundoora Park on Wednesday 11 September.

Training for Bundoora students will be held each Tuesday and Thursday morning from 7.30am to 8.15am and students are to meet at Bunjil Park.

Preston students wishing to be involved should see Mr Watson for further information.

Mr Phillip Gaut

Director of High Performance Sport

Parents of Parade (POP)

2019 POP Mega Raffle

This is our major fundraiser for the year and your chance to have your son's tuition fees covered for next year. Please support us, so that we can help the Parade community and possibly yourself. Great value at \$10 a ticket!

Working Bee

Sunday 18 August from 8.00am to 12.30pm. Many jobs around the College grounds at Bundoora and Preston to be actioned followed by a BBQ sausage sizzle and drinks provided by POP.

August Events

This term sees the following activities, so please mark them on your calendar and come along to help out or enjoy the activity.

Registrations are essential for catering purposes

Father/Son Winter Games

The Father/Son Winter Games will be held in College Hall for fathers and sons from Years 7 to 9 on Monday 12 August. The evening will commence with a BBQ at 6.00pm, the games begin at 7.00pm and conclude by 9.30pm.

Entry is \$10 per family which is payable when you register and includes all food and soft drinks.

Fathers/guardians/older brothers will form teams and take part in activities such as Foosball, Darts, Quoits, Tower Building and Golf Putting. Medallions and prizes will be awarded at the end of the evening.

Numbers are limited so please register at Trybooking <https://www.trybooking.com/BEGCS>

General enquiries regarding this event should be emailed to Community.Events@parade.vic.edu.au

Fathers Day Breakfast

This has become a popular event and POP will once again be assisting with the annual Fathers Day Breakfast on Wednesday 28 August. Fathers/Grandfathers are invited to a delicious BBQ breakfast of bacon and eggs to be enjoyed with their sons in the lead up to Fathers Day.

Numbers are limited so please register at Trybooking <https://www.trybooking.com/BEGDI>

General enquiries regarding this event should be emailed to Community.Events@parade.vic.edu.au

METEC Driver Education - Year 10 Students

Each year Parents of Parade assists with a one day pre-driver education program for Year 10 students. Students meet at the Bundoora campus at 8.30am and travel by bus to METEC in Bayswater, returning to the College between 4.30pm and 5.00pm. The program consists of theory and two driving sessions under the instruction of the METEC trainers. The day takes place during school holidays and this year will be on Wednesday 4 October (which is the last Friday of the school holidays).

Students aged 16 years attending the METEC Driver Education Course may take their Learners Permit test on the day. They must bring the required identification documents, including 100 points of identification. Please visit the Vic Roads website below to ensure you have the correct documentation on the day.

<https://www.vicroads.vic.gov.au/licences/evidence-of-identity/types-of-identity-documents>

Places are limited. Please register your interest by emailing: Community.Events@parade.vic.edu.au

METEC bookings close on Monday 5 August

POP Meeting

Our next meeting will be held on Wednesday 14 August at 7.30pm in the Boardroom at the Bundoora campus.

ALL WELCOME!

From The Old Paradians

The O'Sullivan Boys Remembered

Pictured here are three brothers, all Old Paradians, who served their nation through World War II - Tony (1932), Brian (1938) and Joe O'Sullivan (1938).

The photograph was forwarded to the Old Paradians' Association by another OP Jack Moore (1947), in tribute to Brian, who died just three weeks short of his 97th birthday on 27 June.

Having married Brian's sister Elizabeth (the youngest of ten O'Sullivan siblings), Jack had much in common, as he recently recalled in paying tribute.

Full story, click here - <http://www.oldparadians.com.au/old-paradian-stories/the-o-sullivan-boys-remembered>

Women Turn Out In Support Of The Club

The Old Paradians Amateur Football Club continues to enjoy the healthy support of those who respect the ninety year-old sporting institution as a vital part of the College community fabric, particularly the women of Parade.

More than eighty women frequented the Frank Mount Social Room for the annual Ladies Day Luncheon held prior to the recent match with Prahran-Assumption.

The ladies heard from club President Mike Jolley, who confirmed his intention to stand down from the position at season's

end, and Senior Coach Phil Plunkett who took time out pre-game to partake in a Q and A with the capable MC Graeme Clark.

Guests included current players' sisters, wives, mothers and grandmothers, together with past players and diehard supporters.

Special mention should be made to Sue Ashcroft, Julie Mahony and Sally Kolotylo, who so capably arranged the setup of the room for the luncheon.

OPs frequent The Black Friar in London

Seen sharing a friendly frothy in the Black Friar public House on Queen Victoria Street at Blackfriars this week were esteemed members of the Old Paradians' London chapter - clockwise from bottom left: Christopher Ecclestone (1978), Peter Wilson (1978), Craig Sandford (1985), Brendan O'Leary (1980), Peter Bentley (1978) and Michael Reid (1981).

The photograph was posted by Christopher on his facebook page with the accompanying message: "Paradians in London meeting up this sunny evening at the old Black Friar . . . and a cheesy group photo (my selfie skills being non-existent)".

To read more, click here - <http://www.oldparadians.com.au/old-paradian-stories/ops-frequent-black-friar-in-london>

The Two of Us - Phil Carter Tells

The following story was penned by 1969 College Captain Phil Carter, following a recent trip to New South Wales where he caught up with an old mate from the early years of the Bundoora Campus, Mick Boyne.

Phil provided an accompanying image of himself with Mick, and to quote the former: "We had a great time, just chatting about the events of our own lives, the wider world, and enjoying the beautiful scenery of the Sapphire Coast".

To read Phil's story, click here - <http://www.oldparadians.com.au/old-paradian-stories/the-two-of-us-phil-carter-tells>

Class of '63 Reunites at OPA Luncheon

Final year students of Parade's Class of 1963 have reunited at the Old Paradians' Association's monthly luncheon at Melbourne's RACV City Club.

They came together with the assistance of Pat Mount, who took up the challenge to locate his former contemporaries.

Pictured here are, from left to right: Peter Murphy, Terry Laragy, Tony Killen, Noel McClelland, Tom Ryan, Barry Pritchard, Graeme Pound, Pat Mount, Michael Quin, Max Cashmore, John Mount, Michael McKinley and John Sonneveld.

"It was wonderful to re-connect with the 'boys' that you had not seen since leaving school or had not seen for many years," Pat said.

"Now that most of us are retired (or semi-retired) we can make the time to renew valuable friendships. It was a very enjoyable day."

Matthews Boys on Cloud 9 after LA Record

Old Paradians Jarrod Matthews (2013) and younger brother Joel (2018) were amongst an Australian contingent which recently set a national skydiving record, in completing a 130 person formation in the skies over southern California.

Four years of preparation culminated with the successful formation on the sixth attempt – the 130 skydivers plunging from seven airplanes and successfully locking arms long enough to be photographed for verification of the record.

The successful attempt took place over Perris, 71 miles south-east of Los Angeles. Incredible footage has since emerged of the formation, that involved jumpers from as young as Joel at 19 through to the oldest at 74.

Collectively they shattered the previous record of four years previous which involved 119 people.

Full story, images, click here - <http://www.oldparadians.com.au/old-paradian-stories/matthews-boys-on-cloud-9-after-la-record>

Old Paradian Gresham gives back

A welcome return visitor to Parade College's Preston Campus recently was the dynamic St Kilda midfielder/forward Jade Gresham, a final year student of the College in 2015.

Jade is pictured here with, from left, the Preston Campus' Sport Prefect Che Watson, Director Pathways and Old Paradians' Association committeeman John Nicholls and the campus' other Sport Prefect Liam Smith, following Jade's presentation of his No.4 guernsey famously worn by the club's former champions of the craft Darrel Baldock and Tony Lockett.

OPs lay foundations for Future Apprentices

Pictured here with Parade College plumbing teacher Jim Hunt is, from left to right, Old Paradians Jordan and Dylan Varrasso (2011), and current student Harrison Lacko.

They can be seen on the site of an aged care facility in Avondale Heights at which the Varrasso twins are laying bricks for the company Probricknblock.

The twins, once VCAL students in the early days of Parade's Preston campus, followed older brother Tim, who completed VCAL at Parade in 2007.

In the years since, the Varrasso brothers have given back, providing work placement opportunities to Parade College VCAL students like Harrison, whom they have mentored in the finer points of the trade.

LIVING SPIRIT FELLOWSHIP

Pilgrimage to Hellfire Pass for ANZAC Day 25 April 2020

The Fellowship is open to year 10, 11 and 12 students who attend any of the 18 schools/colleges surrounding the Greensborough RSL and provides for the successful student and a parent or guardian to attend the ANZAC Dawn Service at Hellfire Pass on 25 April 2020, as part of a 10-day escorted pilgrimage to Thailand/Myanmar.

Proudly sponsored by

**CAM Management Group, Cannon Toyota, Audio Clinic and
Dyson Group.**

Students are encouraged to ask their year Co-ordinator or teacher for a copy of the Application Form ,which may also be requested by

email: livingspirit@rsl-greensborough.com

Applications close on Friday 1st November, 2019

Collection of school information by the Australian Government under the *Australian Education Act 2013*

Dear Parent/Guardian

Collection of information about schools

The Australian Government provides funding to Australian schools under the *Australian Education Act 2013*. That Act and the associated *Australian Education Regulation 2013* require that your child's school provide the Australian Government with certain information about the school, its financial arrangements, and its student body to ensure the funding is properly calculated and accounted for.

What information is collected by the Australian Government?

The authority that operates your child's school such as, a state or territory education department, a Catholic Education Office, or an independent school authority, will provide basic information about the school to the Australian Government. This includes its name, address, contact details, years of schooling offered and its staff.

The authority must provide the Australian Government with information about the school's finances, including annual audited financial statements and certification that Government funding has been used for proper purposes relating to education.

In addition, the authority will provide certain performance information at an aggregate level, including student attendance rates, student results in the National Assessment Program. For secondary schools this includes, post-school student destinations such as going into the workforce, vocational education and training, or higher education.

The authority is required to publish much of this information, and it is also published by the Australian Curriculum Assessment and Reporting Authority (ACARA) on the My School website at www.myschool.edu.au.

The school authority must also provide information to the Australian Government about the makeup of the school's student body during an annual school census. This is because Australian Government funding varies according to whether students are primary, secondary, receiving distance education, or are overseas students; and is calculated to provide additional funding, called 'loadings', for students at educational disadvantage.

The authority must provide information about the number of students attending the school, including the number of:

- primary and secondary students
- full-time and part-time students
- Aboriginal and Torres Strait Islander students
- students with disability
- students with low English proficiency

- students receiving distance education
- boarding students
- overseas students.

Who receives this information?

Most of the information is provided by school authorities to the Australian Government Department of Education (the department). Some of it is provided directly to ACARA.

The department may in turn pass the information on to ACARA, state and territory education departments and authorities, the Australian Bureau of Statistics (ABS), and the Productivity Commission. The department will also provide the information to other organisations if required or authorised by law to do so.

The department may also disclose the information to its Information and Communication Technology (ICT) service providers, to allow them to provide ICT support services to the department.

Why is this information collected?

The department collects information about schools under the *Australian Education Act 2013* for the purposes of that Act, which include:

- calculation of Australian Government funding
- oversight of funding conditions and requirements
- monitoring of financial performance and educational outcomes of schools
- publishing and providing information about schools to the public.

The department also uses the information for research, statistical analysis, and policy development on school education for the Australian Government.

Information passed to ACARA, state and territory education authorities, the ABS, and the Productivity Commission is used by those organisations for their public purposes. For example, the information collected from school authorities under the *Australian Education Act 2013* forms part of the national statistical collection maintained by the ABS.

Is my child identified in the information collected by the Australian Government?

Where school authorities are required to provide the Australian Government with information about students, that information is aggregated statistical data that does not identify individual students. The information is not matched with any other information held by the Australian Government that can be used to identify individual students.

However, from time to time the department engages contractors to audit or verify school records to ensure that the information a school provides to the department is accurate. The information previously collected by the department may also be passed onto these contractors for this purpose.

When carrying out an audit, the contractors may need to access information about individual students from the school's records. This information may be 'personal information' within the meaning given in the *Privacy Act 1988*. The contractors may pass this information onto officers within the department if there is a discrepancy in the data provided by the school and the school's records and further investigation is required.

There may be other circumstances in which a school authority will voluntarily provide information about individual students to the department when seeking additional funding for those students. Most commonly, these are where a student has not been in attendance at a school during the annual school census reference period but the authority wishes to receive funding for him or her, or where the authority believes that the demographics of the students at the school are not representative of the households in the ABS statistical areas serviced by the school.

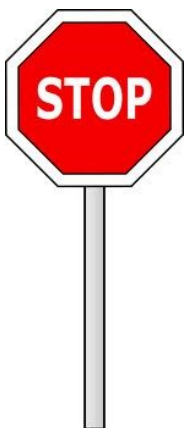

Other than in exceptional circumstances (for example, investigation of fraud relating to overseas students), the department does not disclose personal information to any overseas recipients.

Contacts for further information

If you have questions about the collection of information about schools by the Australian Government under the *Australian Education Act 2013*, please contact:

The Recurrent Assistance for Schools team at: GrantsandDatahelp@education.gov.au.

You can get more information about the way in which the department will manage your personal information, including information on accessing or correcting your information, and how to make a complaint, in our full privacy policy, at education.gov.au/privacy or by requesting a copy from the department at privacy@education.gov.au.

In the interests of student safety.....

Please observe all speed zones and traffic management signage whilst on College grounds

Please follow directions by traffic marshals and parking attendants

Please remember there is a strict "No Standing" rule for all vehicles anywhere along the College driveway

Thank you for your co-operation
