

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 7 21 April 2021

## From the Principal

Welcome back to all of our students for second term. We hope that all families enjoyed a happy Easter and that students have had a refreshing term break. We finished last term with a special House groups Easter Liturgy. As a Church, we continue to celebrate the feast of Easter over the next few weeks. Thanks to those who organised events and those who supported the Lenten Fundraising Program towards the end of last term as part of our Lenten outreach to those suffering poverty and homelessness and in support of our nominated charity, MacKillop Family Services.

Next week we celebrate ANZAC Day with a ritual in Friday's Tutor Group. We also welcome back next Wednesday the class of 1970/1971 and Parade veterans for a luncheon ahead of the 1st XI Football and 1st XVIII AFL games. Neil Sharkey, the Curator at the Shrine of Remembrance is the guest speaker.

As Parade College celebrates 150 years, we remember that Old Paradians fought and died in each major campaign and there are many Old Paradians serving in Australia's armed forces today. We remember in a particular way those that served in the 1<sup>st</sup> and 2<sup>nd</sup> World and the Vietnam Wars in the Honour Boards in the Hickey Foyer.

The chief architect of the first ANZAC Day solemn service was actually an Anglican priest, Canon David John Garland, who pictured an "All Souls' Day for Australia" in 1916, to

commemorate the losses suffered at Gallipoli. His wish was for the service to be acceptable to all faiths and denominations or it would not be observed. I think ANZAC Day provides an opportunity for all of us to reflect on life and its meaning and its tragedies.

ANZAC Day, whilst in many ways a secular ceremony, has spiritual components that resonate for us as a Catholic school in the Edmund Rice tradition - be it in the sacrifice, in the lowering of the flag, the bugle call, the minute's silence - something's calling us and as people of faith, we would believe that's God calls to us in these sacred moments.

## Lest We Forget

Much work is underway by staff and students on one of our major 150<sup>th</sup> Celebrations: our 150<sup>th</sup> Celebration Concert on the evening of Monday 30 August at Hamer Hall. It promises to be an outstanding night and well worth saving the date for.

Today we open the ACC AFL season as the First XVIII compete with St Bernard's College in the annual Bedford/Madden Shield and our Senior Football compete today at Emmanuel; Year 9 and 10 Football and AFL teams played yesterday and we have scheduled Year 7 and 8 games on tomorrow.

Thank you to those families that avail of the second opportunity for the important learning conferences to occur tonight. Interviews are held remotely via MS Teams.

The National Assessment Program – Literacy and Numeracy (NAPLAN) tests for Year 7 and Year 9 students, will be held on Tuesday 11, Wednesday 12, and Thursday 13 May.

Please avoid making appointments for your son on these days.

Please note the following:

- NAPLAN testing for 2021 at Parade will be in the paper format.
- Year 7 and 9 students are required to bring a basic scientific calculator to the Numeracy test on Thursday 13 May. Please make sure your son has his calculator on that date.
- Classes will run as normal when students are not involved in NAPLAN testing.

On Wednesday 12 May, Year 9 Students are to attend, as per normal, the campus that they are timetabled to attend for ExCEL. After the completion of the NAPLAN, Year 9 students will be participating in the Morrisby Career analysis as part of their ExCEL class and then continue with ExCEL.

## From the Assistant Principal - Student Wellbeing

Term 1 was our first full term back since the pandemic began and I know many students, parents and staff were exhausted at the end. I hope everyone had a relaxing break and took time to re-energise and recover from the busy start to 2021.

We wanted to take the time in this *Newsletter* to remind families and students of some expectations given the disrupted year that was 2020.

Please find below the expectations regarding uniform for the next two terms and also transport expectations.

### Uniform

*At Parade we value the tradition of wearing the College uniform well to honour all those men who have worn the purple, green and blue with pride and respect over the last 150 years*

- Parade Blazer
- Grey Trousers or grey dress shorts with belt loops – no elastic or drawstring waists
- Black Belt – compulsory for Terms 2 and 3
- Grey Socks – above the ankle – no ankle or “tennis” socks
- Black, polishable, hard leather school shoes – no street shoes or urban wear, – no black runners, either canvas or leather
- College Bag (Back Pack)
- White Shirt – long-sleeved, buttoned to the collar, business collar
- Parade Tie for Years 7 to 10 / Senior Tie for Years 11 and 12.
- Leave all *jewellery* at home – no earrings, pierced jewellery (including clear plastic studs), necklaces, rings, bracelets, friendship bands, sports bands, or other bands to be worn. If it is precious or important in any way to your son, it is safer at home, away from possible accidental damage or loss.
- Hair should be neat, clean and in a business-like style, eg; no dreadlocks, braids, mohawks, 'Dusty-cuts', etc.
- If your son is shaving, please make sure that he is clean-shaven for school **each and every day.**

### College Bus Network

*At Parade we value respect for, and cooperation with, those whose job it is to get us safely to and from school each day*

- Students are not allowed to eat or drink on any of the buses to and from school - this is to assist the bus drivers to get to their next job on time, with a clean vehicle, or to help them complete their shifts on time at the end of the day, as well as ensuring a clean environment for all bus users;
- All young men are required to stay in their seats to and from school and wear the seat belts where these are provided as part of the students' responsibility for ensuring a safe trip for other passengers and the bus driver.
- Throwing any kind of material inside or outside the bus is a serious offence and will be treated as such. It is particularly distracting to bus drivers on very busy roads as well as disrespectful to the driver and fellow students.
- Noise levels should be kept to a reasonable level to allow bus drivers to concentrate on the task of getting students safely to their destinations.
- A MYKI card with appropriate funds is required for those students travelling on buses where a MYKI fare is required.
- Finally, cooperation with any directions given by bus drivers in the interests of passenger safety is always required from Parade students.

### Public Transport

We expect all students to behave with courtesy and respect towards drivers and other passengers when using any form of public transport to and from school, and on excursions. We also expect students to stand and offer their seats to members of the public when using any form of public transport.

### Ms Sarah Pyle

**Assistant Principal - Student Wellbeing**

Do all the good you can, by all the means you can,  
in all the ways you can, in all the places you can,

as long as you ever can.

## Reading at Parade

### Reading the books to be studied in English for the remainder of 2021

We expect students to read their English books over the summer holidays, in preparation for the academic year ahead.

As each unit approaches, students are encouraged to re-read each book so that they are ready to fully participate in class. The remaining books for 2021 are:

#### Year 7

Finish reading 'Fog a Dox' by 12 July

#### Year 8

Finish reading 'Falling from Grace' by 26 July.

#### Year 9

Finish reading 'The Shiny Guys' by 16 August.

#### Year 10

Finish reading 'Maus' by 9 August.

#### Year 11

Finish reading "The Curious Incident of the Dog in the Night-time" by 14 June.

#### Year 12

Finish reading 'Ransom' by 14 June.

Literature and Altior English teachers will communicate their expectations directly with their classes.

### Wider Reading

The above books are a part of the formal English curriculum. Students are encouraged to engage in wider reading – that is, reading beyond these books – which will enable them to become better readers, better thinkers, and, ultimately, better people. Students should read for at least twenty minutes each afternoon/ night.

Research conducted by Fisher, Frey and Hattie (2016) confirms that knowledge of vocabulary directly correlates to higher levels of achievement. In the below graphics, you can see how important reading is to your son's vocabulary development.

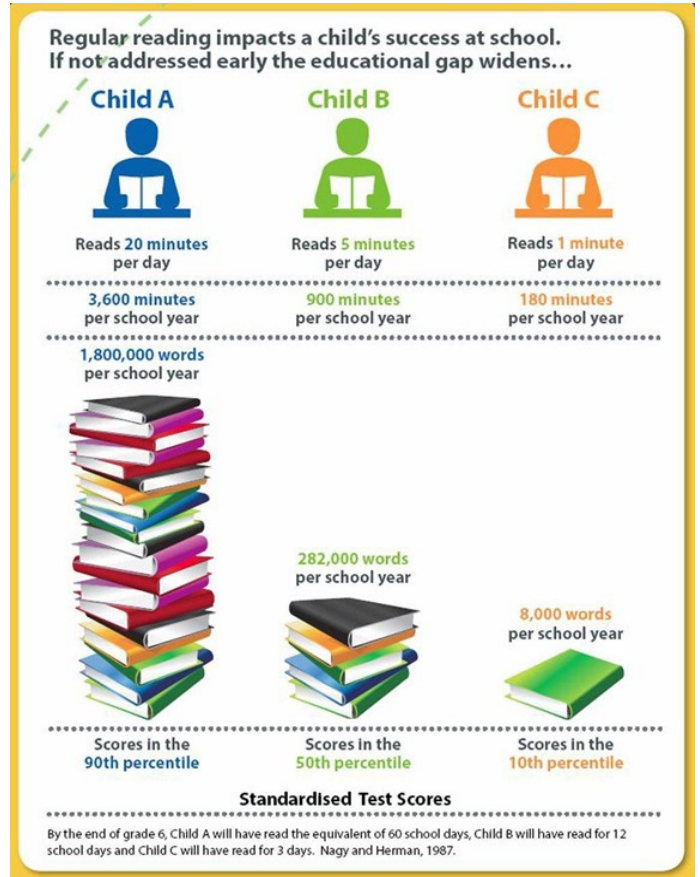

Image source: Learning Links

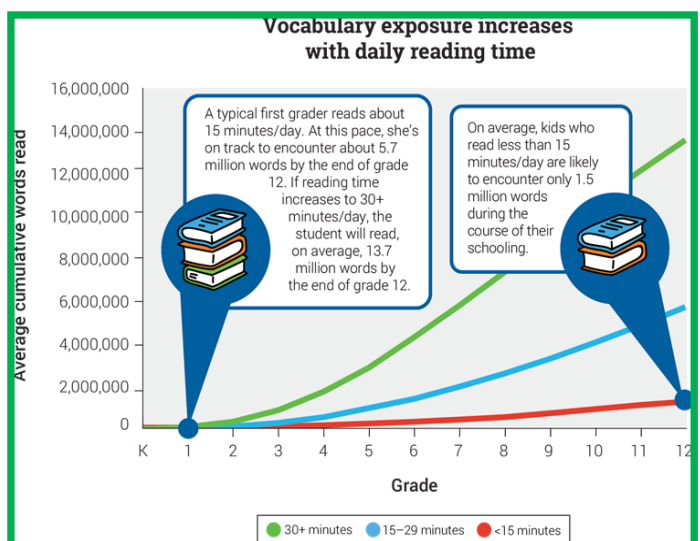

Image source: Renaissance Learning

Additionally, a key finding in the recently published literature review [‘The impact of reading for pleasure and empowerment’](#) is that reading for enjoyment not only boosts educational outcomes, but also enhances their emotional understanding. Reading increases empathy, enriches social relationships, reduces symptoms of depression and instils an overall sense of wellbeing.

Parade encourages reading by running the Parade Reading Challenge, the Word Millionaire and participating in the Premiers’ Reading Challenge. Students can earn House points, certificates and badges for participation.

### Wider reading: accessing books, e-Books, audiobooks, and e-Magazines

All students have access to a range of resources to support their reading. At the NLC and CCLC, students are able to borrow hard copy fiction and non-fiction books.

Additionally, we have a range of digital resources available. E-Books are available on MyOn, SORA, and Wheelers; audiobooks on BorrowBox and Wheelers; e-Magazines on RB Digital. To access these digital resources, students should locate the Learning Centres subheading under School Links on SIMON.

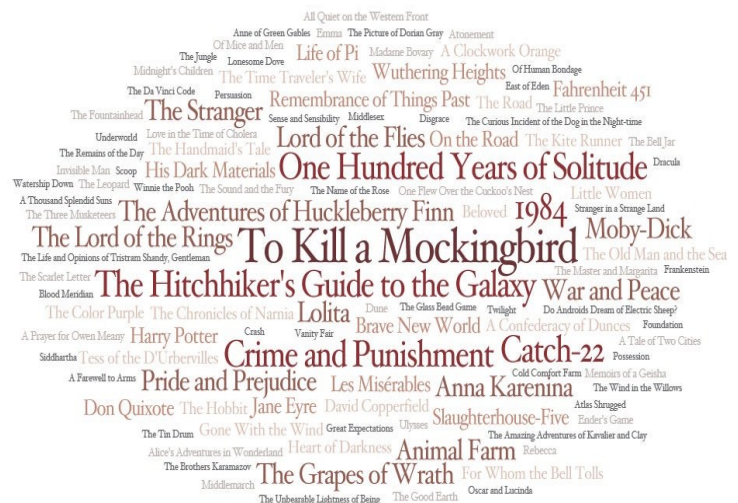

Finally, if you assist your son in joining the local library (such as Darebin Libraries, Yarra Plenty Regional Libraries, and Moreland Libraries), he will be able to access an even wider range of reading materials.

### What you can do to help at home

The Harvard Graduate School of Education offers the follow advice for parents trying to develop their son’s reading skills:

- Read in front of your son. We know that all children learn from what they observe. If you’re visibly engaged in and excited about reading, your son is likely to catch your enthusiasm and become a better reader himself.
- Talk to your son about what you are reading. It is key to show your son that you enjoy reading and think that learning is important. In turn, ask your son about what he is reading and studying in English. To assist with this, you may like to read the book your son is studying in class, so that you can more deeply engage him in conversations about it.
- Visit the library together and borrow books for yourself as well as for your son.
- Scatter books, magazines, newspapers, and comics in everyday places — the car, bedroom, or the breakfast table.
- View websites together with your son, share e-Books, even listen to audiobooks. This all counts as reading — every little bit helps!
- Have conversations with your son about current events and happenings in your community.

## Year 9 Catholic Schools Leadership Forum

On 3 March 2021, I was given the opportunity to represent the Parade Year 9 students at the Junior Leaders Network event at Marcellin College. This was an honour as leadership is important to me.

The half-day event was split into two parts. We were put into groups with leaders from other schools during the first part, and we talked about our role models, our favourite leaders, and our roles at each of our schools. In the second part, we met a group of different school leaders, and we discussed each other's leadership qualities, a lesson we each learned during the event, and shared the individual goals that we had set for ourselves and our school.

*Parade students attending the Year 9 Leaders Event - pictured above

Xavier Sirianni B13, Thomas Crookshanks H11, Giulio Rinaudo H14,  
Julian Raic L11, Benjamin Benetti L12, Ben Saccone T13,  
and Caleb Turnbull T16*

During the event, I learned more about myself as a leader. I was able to identify my existing leadership qualities and the areas I need to develop as a leader. The event also taught me about the history of leadership and introduced me to several key historical leaders.

As a Parade Year 9 Leadership Group, we have met since the event and defined our group goals, agreed our roles, and documented a plan to create a more diverse Parade Leadership system. Our aim is to develop some leadership opportunities for the junior year levels, starting with Year 9.

We are looking forward to sharing our ideas with Mr Kuppe in the near future

## Eco-Walk Tour at Preston Campus

Every month Parade participates in the Eco-Walk program, the aim is to help local elderly residents get out and about and enjoy nature. Eco-walk is run in partnership with Bridge Darebin and this month it was held at the Preston campus. The small group was led on a tour of the Indigenous and the vegetable garden. Our visitors were given an insight into the steps involved in creating the art work located in the Aboriginal garden. They were also given an insight to the plans for the garden as a whole once everything has established.

Our tour also included a walk through the vegetable garden, this was created by students in 2019. There are now plans for the addition of a chicken coop and larger composting station. The materials for these projects will be sourced from the Darebin Recovery Centre which sells donated items destined for landfill. The Recovery Centre provides employment for citizens who have experienced difficulty in obtaining work.

## Help is Always Available

My students in T05 have been having really in depth discussions about mental health during Tutor Group sessions and they have formed a group in response to their convictions.

They have researched information from Beyond Blue and have put together some information with relevant links to support fellow students and readers of the newsletter battle mental health problems they might be experiencing. (opposite page)

I am very proud of the following students from T05 for using their own initiative and coming up with a way of helping others within our school and the wider community - Adam Crick, Jayden Carroll, David Massena, Ethan Wellington and Jack Marin

## Beyond Blue

### Know the signs and symptoms

Many of us blokes think we need to do it all ourselves.

We put off having a chat with our mates when we're feeling down, put off going to our GP, and put off talking to our partner about how we're feeling because we have the idea that 'being a man' means being silent and strong.

Showing our mates that we're here for them might mean sucking it up and starting the tough conversation, especially if we're worried about them.

It could be the moment you prevent your mate from taking his life, and that's worth the temporary weirdness you might feel when starting the conversation with them.

## Community Action Report

### Knitters at Vasey House get busy during Lockdown

During the Term break I was invited to afternoon tea with the Vasey House Aged Care knitters group.

These ladies had been very busy during lockdown, knitting beautiful colourful squares that have been made into sixty one blankets! The ladies have donated the blankets to our Eddy's Back Pack's Project.

The project involves our students packing bags with necessities for MacKillop Family services Foster Care program.

Children who are put into foster care, often at short notice, are given a backpack containing items such as books, pens, photo frame, toiletries, and now a lovely warm knitted blanket.

Many thanks to the ladies at Vasey for their generosity, and a special mention to ex-Parade staff member, Patricia Keenan, who sewed the squares together.

### Community Action Mother's Day Stall

Community Action students will be running a Mother's Day stall with proceeds going two Mackillop Family Services.

With a range of items from \$5 to \$25, students will be able to find a gift to show their appreciation for the important mother figures in their lives.

The stall will start on Thursday 29 April and continue through to Friday 7 May

### Parade College Beanies

College Beanies are available to purchase at Academy Uniforms Thomastown store, or from Reception at both Preston and Bundoora

The beanie is priced at \$25, with \$5 from each purchase being donated to Mackillop Family Services

### ACC Swimming Championships 2021

On Wednesday night 31 March the Parade Swimming Team competed in the ACC Swimming Championships.

The Division 1 competition at any ACC Carnival is a hotly contested event and the boys who represented the College were outstanding.

In 2019, we finished in 6<sup>th</sup> place, 4<sup>th</sup> place in 2020 and we were looking to better that in 2021. At the conclusion of the carnival we narrowly missed 3<sup>rd</sup> place overall.

The highlight of the evening was winning the Junior Trophy which combines the Under 13 and Under 14 age groups. The last time Parade College won the Junior Trophy was in the year 2000, some 21 years ago.

This overall team result is a credit to all the boys who swam and to all the boys who attended as members of the squad.

The evening had many memorable performances with a number of Parade boys breaking Parade records and aiming for ACC records.

Whilst it was a great team effort throughout the night, listed below are students who won individual ACC 'A' events:

#### ***Makaio De Thomasis, Yr10 T15***

Open 200m Freestyle – 2min 01.94s,  
Under 16 - 50m Freestyle – 25.95s

#### ***Harper Wallace, Yr9 L21)***

Under 14 – 50m Freestyle – 27.18s,  
50m Breaststroke 34.79s,  
50m Butterfly – 30.79  
50m Backstroke – 34.25s.

Congratulations to all swimmers on not only their efforts in the pool, but also in the manner in which they conducted themselves throughout the night.

Thanks also to the parents and Parade staff who were able to support the team on the night and a final acknowledgement of the following staff who assisted with training and were officials on the night.

- Mr John Cornish (Swimming Coach),
- Mr Ben Turner (Sports Coordinator - Bundoora Campus),
- Mr Paul Watson (Sport Convenor – Preston Campus),
- Mr Nicholas O’Kearney (Sport Assistant),
- Mr Jack Nicolo (Sports Trainee),
- Mr Ben Major (Sports Trainee)

### ACC Weekly Sport

As ACC High Performance is a timetabled subject, selection into these classes has to coincide with the Subject Selection process in August.

To accommodate the potential development of students not selected into a 2021 High Performance class and provide the opportunity to try out for a 2021 ACC team, additional trials for all ACC Sports (only for those Year 8 to 10 boys who are NOT in High Performance) are as follows –

#### ***Basketball, Table Tennis and Hockey***

Trials will occur midway in Term 2 2021.

#### ***Volleyball, Tennis and Cricket***

Trials will occur midway through Term 3 2021.

Any student identified at these trials as possible members of an ACC team will be given the opportunity to play some games.

In addition, students wishing to improve their skills and enhance their chances for future ACC selection should involve themselves in the Sports Development Program.

Focusing on all ACC sports, this two week program (per sport) will generally occur after school until 4.15pm and run throughout the year.

The dates for the Football and Soccer programs are as below:

### Football (AFL)

## Careers @ Parade

### Year 12 students – La Trobe Aspire Program

The La Trobe University Aspire Early Admissions Program rewards students' involvement in community, leadership and volunteering, with an early conditional offer into their chosen course at La Trobe. This means students will know if they have a place at university in September or even earlier. In 2020, 79 Parade College students received an Aspire early offer to study at La Trobe University which was higher than all other secondary schools in Victoria. Students who receive an Aspire offer will also receive exclusive benefits designed to nurture their skills and give them the support they need to succeed at La Trobe and beyond. Applications opened on Monday 19 April and will close on Friday 17 September 2021. Please click on the following link for more information: <https://www.latrobe.edu.au/study/aspire/about-aspire>

Students who would like more information about the program or assistance with their application are encouraged to visit the Careers Centre MQ32.

### Year 9 Morrisby Online Career Assessment

All Year 9 students at both Bundoora and Preston Campuses will be completing the Morrisby Online Career Assessment on Wednesday 12 May 2021. The Morrisby Online Career Assessment will provide students and families with a detailed report which will then be used to inform the subject selection process and provide valuable information for the exploration of future career options.

### Careers Podcasts

The Student Space is a great resource for students and parents and offers a series of podcasts that provide information to students about high school, life after school and a range of careers and pathways. Current episodes include information about:

## From the Director of Music

### Welcome Back

The Music Department would like to extend a warm welcome back to all music students and their families. This term is shaping up to be an incredibly busy but exciting term in the Music Department and we look forward to being able to share in the joys of live music with our community again over the next ten weeks.

### Autumn Music Concert

As we return for Term 2, we are now in the final stages of rehearsals for the Autumn Music Concert which will take place next Tuesday 27 April at 7.00pm in the Rivergum Theatre.

Due to extremely popular demand, we have now reached capacity for ticket sales for this event. However, we strongly encourage all families who have missed out securing a ticket to register their interest via the online Trybooking waitlist, accessible via [this link](#) or by visiting <https://www.trybooking.com/BPSZY>.

As soon as any tickets become available, we will contact families on this list first and foremost.

We kindly request that if any families no longer require any or all of their reserved seats, please contact us directly at [music@parade.vic.edu.au](mailto:music@parade.vic.edu.au) as soon as possible so that we are able to release these tickets to families on the waitlist.

We are continuing to actively pursue options of live-streaming this event for members of the community and extended family who are unable to attend. Please continue to check the College's social media pages for further updates.

It promises to be a wonderful night of music making and we look forward to gathering together as a Music community at our first in person concert in well over a year.

### Meet the Teacher

#### Omar Moustafa

The Music Department is very excited to introduce Mr Omar Moustafa, the College's new voice teacher, to the wider Parade College community. As we continue to grow the vocal program at the College, we are very excited to have a professional voice teacher on-site to work with our students and develop their vocal talents.

My name is Omar Moustafa and I have been involved in music and performing for as long as I can remember.

Having a particular passion for musical theatre, I have worked on both sides of the stage for over twenty years as a performer, vocal coach and music director. As an experienced choral singer, I have sung and recorded with some of Australia's top choir directors and conductors.

After personally undergoing vocal rehabilitation following a chronic illness, I was inspired to begin teaching in order to guide young singers in developing their voices with vocal health as a priority.

My aim as a voice teacher is to provide students with the tools to better understand and control their instruments across all genres while encouraging in them a love for music and performance.

### Battle of the Bands

We are very excited to confirm that Battle of the Bands is BACK in 2021 and is shaping up to be bigger and better than ever.

This major College event will be held on Monday 24 May at 7.00pm in the Rivergum Theatre and tickets are now available to be reserved online via Trybooking, accessible at [this link](#) or directly at <https://www.trybooking.com/BPVAf>.

All required information regarding sign-up processes and judging criteria is available for students to access on SIMON and via the [Music website](#). Entries will close on Friday 30 April.

As always, any questions can be directed to [music@parade.vic.edu.au](mailto:music@parade.vic.edu.au).

### 150th Anniversary Celebrations

During Term 2, our attention will now turn to the major 150th Anniversary Celebration Concert to be held at Hamer Hall in late August.

The concert will recount the story of Parade through snapshots of different epochs in the College's history and will incorporate individual segments from nearly every aspect of the College's multifarious extra-curricular offerings, including music, drama, art, sport, ministry and community action among others.

All tutor teachers have been sent students a short survey for students to fill in as we are on the hunt for unique and interesting talents and skills to be a part of the show! We are also taking expressions of interest from students who would like to participate in this in a backstage or other creative capacity and encourage all students to get involved.

If your son is interested in participating in either an on or off stage capacity, he is encouraged to complete the survey [here](#).

This event is going to be a major milestone in the College's history and we would love as many students as possible to be part of this once in a lifetime opportunity.

Further information regarding this important event, including ticketing information, will be available in future editions of the College Newsletter.

### Year 7 and 8 Honours Band (Bundoora)

The Music Department is excited to announce that the Year 7 and 8 Honours Band will commence rehearsals in Term 2 on Fridays at lunchtime in W41 with Mr Watson and Ms Calia.

Students from the Year 7 Term One elective Music class and Year 8 Music class have been invited to participate in the ensemble having shown an aptitude for a solid tone production and musicality on his band instrument, ability to read of basic music notation and a willingness to improve his music performance skills and be a part of a team.

We congratulate these students and look forward to watching their musical development over the remainder of the year. All families have been emailed the details and are encouraged to support their son's involvement in the ensemble.

## From The Old Paradians

### Joe calls time at Arsenal

Joe Montemurro, a final year student of Parade’s Class of 1987, is to stand down as Arsenal Women’s Manager at season’s end.

Joe has held the position since November 2017, during which time he guided the Gunners to the 2018-19 Women’s Super League title as well as the League Cup in 2018.

In a statement released by the club, it was reported that Joe, whose side currently sits fourth on the WSL table, had “decided to take a professional break to recharge and dedicate more time to spending with his family”.

Image: Getty

The 51-year-old boy from Fairfield, a well-liked and respected figure throughout the sport, said he had made the decision in February – “the hardest professional decision of my life, as I absolutely love this job and this club, the club I have supported all my life”.

“Probably just after the return this season there were some things I needed to resolve and look at, but the decision happened in February and we decided that this was the best time to announce it going forward,” Joe later told reporters.

“The biggest thing I was scared of when I told Vinai (Venkatesham, chief executive) and Clare (Wheatley, development manager) was that they’d be upset and never

let me back into the club, but they’ve been absolutely amazing.

“I can sit here and safely say that I will be forever part of the Arsenal family and I was one of the lucky ones that got to work here and give my all and meet some amazing people.”

For the past nine years, Joe has remained in continuous management with Melbourne City, during which time he’s had to split time with his family, some of whom remained in Australia during his tenure with the Gunners.

Joe’s plans beyond Arsenal are unknown at the time of writing.

### 1963 - When Paradians First Played The World Game

It’s almost 60 years since members of Parade’s pioneering Soccer XI first took to the pitch. That happened in 1963, Kennedy was still in the White House, and the moment was recorded for posterity in *The Paradian*.

#### SOCCER AT PARADE

This is news. For the first time in history, Parade fielded soccer teams—two of them. For the first time ever, we soccered against another team—our old friends, “North”. First games, our Firsts were beaten; our Seconds won. Second games (Big return feature), our Firsts won, and our Seconds lost. We enjoyed ourselves, and thank the Brothers for giving us the sport and the games.

“The Paradian” wishes to record our Firsts—it’s historic! A. Chiodo (Capt.), B. Chamula, J. Chiera, D. Coghlan, A. Comito, G. Coppi, H. Gieleswki, S. Gnatiw, P. Hermans, A. Marianni, P. Paradiso, A. Rossi, C. Rutten, P. Trainor, L. Pezzimenti.

Joseph Chiera, a member of that famed 15-man soccer squad, recently recalled the first of just a handful of games involving the boys of Parade and those of St Joseph’s North Melbourne – some of them near the old Fairlea Women’s Prison in Fairfield, others in a locale that escapes his memory somewhere in North Melbourne town.

“I’m scratching my head a little to remember, as I’m 76 and the boys in that team first came together almost 60 years ago,” said Joe, who is pictured with John Pedrotti pouring

over a copy of the '63 edition of *The Paradian* at their final year class's 50-year reunion dinner back in 2013.

"I do remember that we basically formed the team ourselves, if memory serves with the support of Br. Robinson - or 'Robbo' as we called him, The tournament was never really official and maybe a few Brothers rang around and arranged for us to play. But I got my driver's licence when I turned 18 in June 1963, the year I completed Year 12 and I remember that when we played in North Melbourne the whole team piled into the family car – a Holden FB station wagon, sky blue with a white roof - and I drove them all to the ground."

A native of Girifalco in the Calabrian region of southern Italy where his parents were also born, Joe was but a boy of ten when he joined his mother, brother and sister on the voyage of a lifetime - traversing the globe aboard the passenger ship *Neptunia* to be reunited with his father who had migrated some four years previous.

Not long after walking down the gangway, Joe forged friendships with Anthony Chiodo and Anthony Comito, both with whom Joe would one day chase the round ball in those precious soccer contests for the College.

"Tony Chiodo, Tony Comito and I were great friends from day one. They were in Australia for about 18 months before me," Joe said.

"When we arrived in the mid-1950s we were the 'dagos', which didn't really matter because we lived in Collingwood and there was more of us than them!

"The two Tonys and myself all lived within 100 metres of each other, just off Johnston Street Collingwood between Wellington and Hoddle Streets. We all went to St Joseph's Primary School in Wellington Street and they were very good with English compared to me - I didn't know a word - so the nuns at St Joseph's sat me next to Tony Comito, he became my translator and he's been my solicitor ever since he qualified."

Joe confirmed that until that pivotal moment in '63 "there was no soccer at Parade - and I can also tell you that there was no Italian taught at Parade, which is why myself and a few others ended up learning Italian at Melbourne University High School".

"We were encouraged by a Mr. Gregor, one of our lay teachers at the time, to learn at Uni High in a course run by Co.As.It.," Joe said, "and if you go to the 1964 edition of *The Paradian* you will see that a number of us got First Class Honours in Italian, which helped get us into 'uni' . . .".

In pouring over the names of his fellow pioneering soccer players, Joe was able to confirm that the team's captain Anthony Chiodo had since died, as had Paul Paradiso who was godfather to one of his daughters.

But the retired pharmacist confirmed that he still bumped into old teammates like Anthony Comito, Doug Coghlan, Giusto Coppi, Anthony Mariani and Adrian Rossi – and to this day he compares notes with Leon Pezzimenti at Dante Alighieri Society gatherings in Carlton.

Soccer still took a long time to gain a foothold at Parade, even after Joe Chiera and his fellow trailblazers first took to the field in '63. Not until the Carlton Premiership year of 1970 was the first College soccer team (coached by the then Principal Br Greening) actually photographed for posterity for *The Paradian* (see below).

Team members featured in that pic at the Bundoora Campus include the late Frank Gonano (middle row, far left), the former North Melbourne restaurateur Dom Torre (for years the proprietor of Don Camillo's Restaurant in West Melbourne, front row, far left) and Ken Scott (later a College teacher, front row, second from the right). Together they earned six victories and twice lost through the course of the '70 season.

Today, the Bundoora Campus boasts two outstanding soccer pitches for the use of its students – and Joe harbors the great hope that an Old Paradians soccer team might one day take to the field.

"I'm surprised that a team doesn't already exist," said Joe, who also shared the accompanying photograph of him balancing a giant mushroom by the legendary old FB at the then family home at 44 Sheila Street East Preston.

"Back then soccer was a no-no, but the game for a number of years now is more widely played than AFL."

### **Old Paradian Declared Deloitte's Next CEO**

The board of Deloitte Australia has settled on Adam Powick, a final-year Parade College student of 1983, as its preferred candidate to replace Richard Deutsch in the role of CEO.

The *Financial Review's* Professional Services Editor Edmund Tadros recently reported that the board's decision came after Mr Deutsch surprised the firm and its leaders by suddenly resigning as chief executive on March 11.

At Deloitte Australia, the board selects a preferred CEO candidate from a shortlist and then recommends that person to the partnership. The partners then vote yes or no to the candidate, with the recommended candidate typically receiving a high level of support.

The *Financial Review* reported that Asia Pacific CEO Cindy Hook played a key kingmaker role in Adam's selection as the board's preferred candidate.

The board, led by chairman Tom Imbesi, told the partnership about Adam's selection as preferred candidate, with a vote expected before the end of the month.

Adam, who has a bachelor of aeronautical engineering from RMIT University and an MBA from Monash University, has worked at Deloitte for more than 25 years. He has been the firm's Asia-Pacific consulting leader since 2018, a role that oversees an advisory business spanning China, Japan, Australia, India, Singapore, Malaysia, Indonesia, Thailand, New Zealand and Korea.

Melbourne-based Adam was previously Deloitte Australia's managing partner of clients and industries between 2015 and 2018, and the managing partner of consulting between 2010 and 2015.

Adam began his professional career as a systems engineer at Fujitsu Australia before moving to Deloitte as a consultant in 1992. He describes the move to the firm as being a "youngster stepping out and learning the management consulting game" in his LinkedIn profile. He was made a Deloitte Australia partner in 2002.

Adam completed his final year at Parade in the same year as Principal Andy Kuppe. His younger brother Greg was a final year student of Parade in 1984, and represented the Old Paradians' Football Club in its B-Section Premiership team of 1986. His uncle the Old Paradian Raymund Cashmore completed his schooling at the 'Old Bluestone Pile' in 1966.
