

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 7 4 May 2022

From the Principal

Welcome back to all our students for second term. We hope that all families enjoyed a happy Easter and that students have had a refreshing term break. We finished last term with a special Easter Liturgy House groups. As a church, we continue to celebrate the feast of Easter over the next few weeks.

Last week we celebrated ANZAC Day with a ritual in Tutor Group. We also welcome back today the class of 1972 and Parade Veterans for a luncheon ahead of the 1st XI Football and 1st XVIII AFL games. We also celebrate the Bedford Madden Shield – the annual 1st XVIII AFL game between St Bernard's and Parade College. Old Boy, Lieutenant Colonel David Millie, MBE (Ret.) is the guest speaker.

David Millie graduated from the Royal Military College, Duntroon in 1959 and served in infantry, aviation and training units prior to service in Vietnam with the Australian Army Training Team Vietnam in 1968-1969. For much of this time he was allocated for duty with U.S. Army Advisory Team 19 in Quang Tri province, the northernmost province of South Vietnam.

As Parade College celebrates 151 years, we remember that Old Paradians fought and died in each major campaign and there are many Old Paradians serving in Australia's armed forces today. We remember in a particular way those that served in the 1st and 2nd World War and the Vietnam Wars in

the Honour Boards in the Hickey Foyer. The chief architect of the first ANZAC Day solemn service was actually an Anglican priest, Canon David John Garland, who pictured an "All Souls' Day for Australia" in 1916, to commemorate the losses suffered at Gallipoli. His wish was for the service to be acceptable to all faiths and denominations or it would not be observed. I think observing ANZAC Day provides an opportunity for all of us to reflect on life and its meaning and its tragedies.

ANZAC Day, whilst in many ways a secular ceremony, has spiritual components that resonate for us as a Catholic school in the Edmund Rice tradition - be it in the sacrifice, in the lowering of the flag, the bugle call, the minute's silence - something's calling us and as people of faith, we would believe that's God calls to us in these sacred moments.

Lest We Forget

As the first Manchester City school in Australia, Parade College was honoured to host Manchester City Football Club's English Premier League Trophy in the second week of the school holidays. Accompanied by Joleon Lescott, the star Centre-Back who played 26 games for England and 504 Senior Games including 107 for Manchester City.

Our Manchester City Football Students were honoured to meet Joleon, train in front of him and have photos taken with Joleon and the Trophy. What an incredible day!

I look forward to one our major 150th Celebration: the screening of *150 Past Present Parade* at Village Cinemas, Westfield Plenty Valley on Friday 13 May. The film chronicles the story of 150 years of Parade College history through snapshots of different epochs in the College's expansive history and featuring homages to nearly every aspect of the College's diverse array of extra-curricular offerings. Booking details are on the opposite page.

From the Assistant Principal - Student Wellbeing

Welcome back to Term 2. Term 1 was a long term, especially given it was our first full term back in two years. We look forward to settling in again and assisting students and families as we continue onsite.

Early Departure or Late Arrival

Over the course of this term we will be moving to absences, late arrivals and early departures being recorded by families through PAM. By the end of the term there will be no absence phone line and students signing in late or out early will need to have had this recorded on PAM in advance. This will ensure our records are accurate.

We communicated last term about the process for all day absences. If your son is leaving early or arriving late this will need to be recorded on PAM also. Early departures and late arrivals can be found in the same place all day absences are recorded (see below).

Once you click on the above icon you will click early departure or late arrival (rather than all day absence) and this will automatically alert your sons teacher and Student services.

There is no need to provide a handwritten note. Your son will simply head to Student Services to officially sign out.

Please ensure your son does not have access to your PAM account

If you have forgotten your password, need an account reset, or your son has access to your account, please contact pamsupport@parade.vic.edu.au

Year 9 Man Cave

Over the coming week our Year 9 students will participate in their second day of the Man Cave program. 'The Man Cave' is a preventative mental health and emotional intelligence organisation for boys and young men.

Year 9 students will only participate on either Thursday 5 May or Monday 9 May. This has been communicated to families via email.

Through one of the full day workshops, which Year 9s at both Bundoora and Preston will attend at their home campus, students will participate in building respectful relationships across all domains of their life.

This section explores how to support others, empathy, conflict resolution, expressing needs, power/privilege and integrity. In this workshop, boys will:

- Explore what defines a respectful relationship, especially with women
- Consider the quality of their own relationships
- Take responsibility for the impact of their words or actions on other
- Learn to empathise with each other's personal stories
- Learn to manage and resolve conflict without violence
- Improve the quality of their relationships with each other

All details of the program have been communicated to students and families of Year 9. We ask that in advance our families have conversations with young men about the issues they are facing and after the workshops debrief with them about what they learnt and their experience. This ensures we are all working in partnership to support our young men.

Nano Nagle VCE Tutoring Program

It has been great to see the initial numbers attending the Nano Nagle Tutoring sessions, but there is still room for more students to attend.

The program runs every Monday to Thursday in MQ28 (VCE Study Centre) from 3.30pm to 5.30pm. Students can attend for part, or whole, of the session and can receive free assistance from recent high scoring Old Paradians (Class of 21) or may just choose to simply complete their homework in a collaborative group of their friends.

No bookings are necessary, students simply report to the VCE Study Centre at 3.30pm and sign in. Students are able to leave at any time throughout the session.

General Achievement Test (GAT)

The VCAA has changed the structure of the GAT for 2022 and it will now be completed by any student completing a VCE Unit 3 and Unit 4 study throughout the year, as well as all Senior VCAL students.

The General Achievement Test will be held on Wednesday 7 September commencing at 9.30am. More details will be available for the students closer to the date.

There is no need to prepare for this assessment, however the College will familiarise the students with the style of questions and provide strategies to assist the boys in the lead up to this date.

More information regarding the style and purpose of this assessment can be found at: <https://www.vcaa.vic.edu.au/assessment/vce-assessment/general-achievement-test/Pages/index.aspx>

NAPLAN Online 2022 – Years 7 and Year 9

The National Assessment Program – Literacy and Numeracy (NAPLAN) tests for Year 7 and Year 9 students will be held between Tuesday 10 May and Tuesday 17 May.

NAPLAN Online will occur in your son's regular timetabled classrooms on the following dates:

Year 7

Tuesday 10 May

Periods 3 and 4 Reading

Wednesday 11 May

Periods 1 and 2 Writing

Thursday 12 May

Periods 1 and 2 Conventions of Language

Monday 16 May

Periods 1 and 2 Numeracy

Year 9

Tuesday 10 May

Periods 3 and 4 Reading

Thursday 12 May

Periods 1 and 2 Writing

Monday 16 May

Periods 1 and 2 Conventions of Language

Tuesday 17 May

Periods 1 and 2 Numeracy

Please avoid making appointments for your son on these days.

Classes will run as normal when students are not involved in NAPLAN testing.

For each test, Year 7 and 9 students are required to bring headphones and their fully charged school laptop.

For more information about the tests, please visit the NAPLAN (<https://www.nap.edu.au>) or VCAA websites (<https://www.vcaa.vic.edu.au>).

Please contact Maurice Petruccelli (Dean of Learning Years 7 to 9) or Ms Scarlett Faulkner (Curriculum Convenor – Preston Campus) if you have any questions.

Preparing for Semester 1 Examinations

Year 8 to Year 11 preparation and exams will commence at the end of this month.

Students should be encouraged over the next few weeks to allocate time not only for homework but to revising for the semester examinations as well.

Year 8 to Year 11 Examinations

The following Year 8 and Year 9 subjects will have an examination in both semesters this year:

Year 8 Exams

Religious Education
English
Humanities
Mathematics
Science
Languages

Year 9 Exams

Religious Education
English
Humanities
Mathematics
Science

Year 8 exams will be held during periods 3 and 4 from Monday 30 May to Friday 3 June

Year 9 exams will be held during periods 1 and 2, and periods 5 and 6 on Tuesday 31 May, Thursday 2 June and Friday 3 June.

Wednesday 1 June is a normal ExCEL day for Year 9 students, at the usual ExCEL locations, and full attendance is expected.

Year 10 Exams

Monday 6 June to Tuesday 14 June
Year 10 students will have exams in all subjects

Year 11 Exams

Friday 3 June to Tuesday 14 June
Year 11 students will have exams in all subjects

In the event that a student fails to attend a Year 8 to Year 11 examination, if possible, it will be rescheduled only for approved school events (eg; ACC Sport) or upon presentation of a medical certificate.

All students are required to wear their correct full school uniform in all exams. Sport uniform may not be worn except by those involved in ACC sport on the day of the exam.

Year 10 and Year 11 students are required to attend school for the times of their exams plus 30 minutes prior. There will be no expectation to attend Tutor Group on these days.

Study halls will be available for study to any students remaining at school during normal school hours.

Normal classes run for Year 8 and Year 9 students when not in exams.

Monday 13 June is the day of the Queen's Birthday public holiday.

English Premier League Trophy at Parade

During the second week of the school holidays, Parade College was honoured to host Manchester City Football Club's English Premier League Trophy.

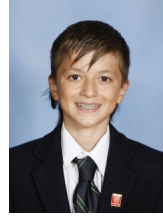

The Trophy was accompanied by Joleon Lescott, the star Centre-Back who played 26 games for England, and has 504 Senior Games, including 107 for Manchester City.

As the first Manchester City Football School in Australia, Parade's current Year 7 Manchester City Football School students were thrilled to meet Joleon and train before him.

We were also delighted that Parade's 2023 Year 7 Manchester City Football Club students could join us.

Ms Jenine Fogarty
Development Manager

On 1 April, B16 Tutor Group had our Annual Charity Lapathon to raise money for Nzara Hospital and flood victims of New South Wales and Queensland. This was a great way for us boys to make a difference to people in great need.

We asked family and friends to sponsor us for this lapathon by donating money for each lap we ran/walked around Waterford Soccer Pitch.

Pictured above L-R: Mr Simpson, Cooper Spence, Ryder Driscoll and Antonio El-Zein

As a Tutor Group we raised a total of \$2170. We decided that \$2000 would go to the Nzara Hospital and \$170 went to the SES in Lismore for the flood victims.

Special mention to Cooper Spence (Year 7), Ryder Driscoll (Year 8), Antonio El-Zein (Year 8) and Xander Cambrell (Year 8), who raised over \$250 each. Jacob Genis (Year 9) ran the most laps (15). I ran twelve laps in twenty minutes raising a total of \$468. I'm very proud of my efforts and raising money for this wonderful cause. We should be very proud of all the money we raised together. Thanks to Mr. Simpson who organised the event and ran with us.

Finance Committee Members

The College Finance Committee is looking for potential members.

If you are interested in joining or would like to know more please contact the Business Manager, Mr Paul Harris, on 9468-3309 or via paul.harris@parade.vic.edu.au

Monthly Statements

The College issues statements via email at the end of every month. Printed copies are only posted in the first week of each term.

If you are not receiving your statements please contact Emily Hosking on 9468-3327 immediately.

Financial Hardship

If you have any questions about your fee statements or are experiencing financial difficulty with meeting your fee obligations please contact Ms Emily Hosking on 9468-3327 or via fees@parade.vic.edu.au.

Alternatively if you would like to make a confidential appointment with the Business Manager to discuss your situation, please contact the College.

Email Addresses

Please advise us if you change your email address. The College regularly uses email to communicate with parents/guardians about important matters including fee statements and newsletters.

The provision of regular fee statements is designed to assist families to keep track of their payment plans and act as a reminder for any payments in arrears.

Please ensure you advise us of any changes to your email address.

Parent Portal – Medical Information

It is important that the College has the latest medical information for your son. Please take the time to review your son's medical information and update when required. All students will have an alert via PAM to validate medical information for 2022 with any current updates, enquiries to pamsupport@parade.vic.edu.au

Epipens and Excursions

In order for a student to attend an excursion or event off the premises they must carry their individual College Epipen and their spare Epipen from home with them in order to attend that event. This is to ensure that sufficient medications are available should the student require them.

Anaphylaxis - Expired Epipens for March and April

There are a number of anaphylactic students that have Epipens that expired at the end of March and April.

Parents of students that are at risk of anaphylaxis should be aware that, in response to Ministerial Order 706, it is a requirement of legislation that students who attend the College must have supplied the College with a valid Epipen and a current Anaphylaxis Action Plan for their personal use.

This is now a matter of urgency.

It would be greatly appreciated if parents/carers updated their son's expired Epipen and Anaphylaxis Action Plan as quickly as possible.

Epipens and Action Plans need to be dropped at College Reception at both campuses.

If parents have specific enquiries about Epipens please contact Ms Ireland in First Aid at our Bundoora Campus.

Parade College Aboriginal Ties and Scarves

We are very proud to be able to offer the sale of the College Aboriginal Ties and Scarves to our College community.

Designed by Aboriginal Parade students in 2019 and approved with consultation by Wurundjeri Elder Auntie Di Kerr, they tell the Aboriginal story of the Parade College grounds, as told by Wurundjeri Elder Uncle Dave Wandin.

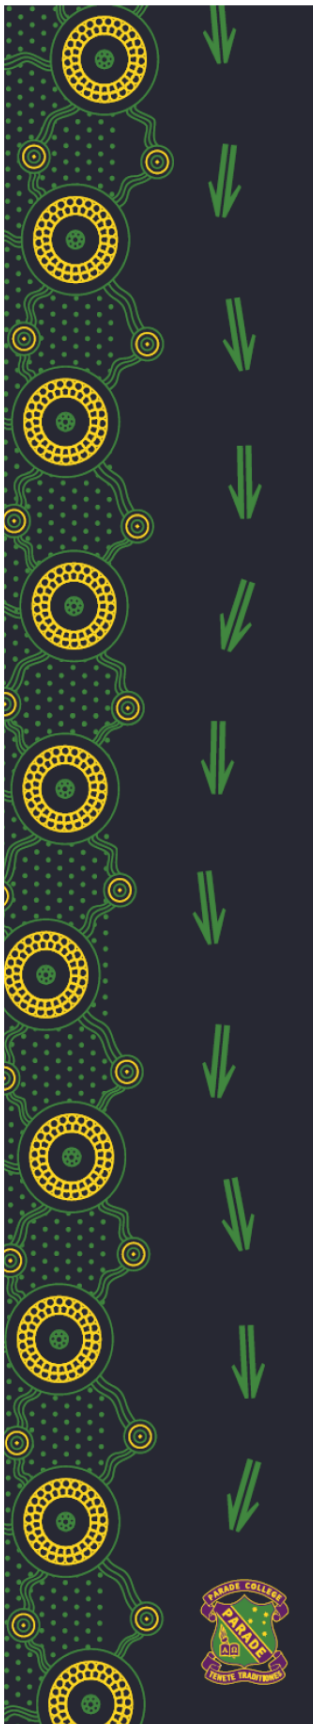

The circles represent the people who lived, cared for, farmed, hunted and travelled on this Country. Aboriginal people lived and met on this Country daily to hunt and sit under the big Red Gums they planted. They exchanged information about land management, what they saw on their daily walks, observed, ate and shared food, weaved and traded.

You can see the kangaroo tracks down the tie, representing the Kangaroos that lived on this land to feed and rest. The Aboriginal meaning of Bundoora is thought to mean where the kangaroos lived.

Ties and Scarves can be purchased from College Reception
\$25 Tie, \$30 Silk Scarf, and \$20 Polyester Scarf

Students are able to wear the Aboriginal Tie in place of their College Tie during Terms 2 and 3

**\$5 from every tie sold will be donated to

From the Director of Ministry

The Cage

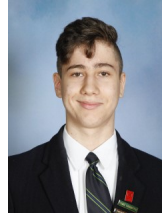

In the last week of Term 1 The Cage event took place for the first time in three years. The site, which was set up in Alphington Court on Wednesday 6 and Thursday 7 April, consisting of barb wire topped fencing, corralling participants into a corner of the area.

Those involved slept on the ground and went without a shower to give some sense of the deprivation experienced by true refugees. There were a few activities and several classes visited those confined to the cage over the Wednesday afternoon and Thursday morning.

Thanks are extended to Mr Shaun Spiteri who spent considerable time and effort organising and facilitating the event. Thanks are also due to Ms Morello who supervised the students.

A few thoughts from one of the participants, David Donato, are shared on this page:

Ms Anne McLachlan
Director of Ministry

The Cage

After hearing first-hand recounts of refugees, it really was a different experience, and it is really something that to this day sticks with me. More on this we were so lucky to hear from Hakeem al-Araibi, a famous refugee who plays football.

Hakeem was arrested in Thailand on his honeymoon and he talked about how for months he was stuck in a small room with about twenty to thirty other criminals. It was with the help of Craig Foster, whom we were also lucky enough to speak to, that he was finally able to get out and return to Australia.

Just hearing all these stories made me realise how lucky we are to be living in Australia. You know, we were in a cage for 24 hours and it wasn't the best - the experience was quite uncomfortable - but compared to what others, including Hakeem, went through we could not complain.

For those who are considering doing The Cage next year. I highly recommend it.

David Donato,
Year 10 B08

Reading at Parade

It is crucial that students develop a home reading routine. The following article, which offers suggestions to parents who want to encourage reading at home, is adapted from the Ontario Ministry of Education's *Me Read? No Way!* resource.

Parental involvement 101

Please consider the following valuable tips for families who want to encourage their boys to read:

Take it easy

Becoming a reader has little to do with reading difficult books and everything to do with the amount of reading a boy does. So let your boy choose books, even if they are below his reading level.

If your son chooses books that are very easy, he may be feeling unsure of his abilities, and is looking for some reassurance. This, too, is perfectly normal. What you don't want to happen is for him to give up on reading altogether for any amount of time.

Let him choose

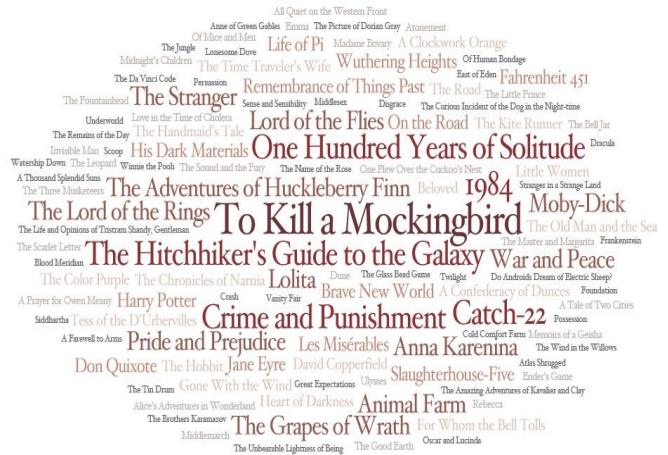

As much as possible, let your son choose the books he wants to read for pleasure, and fight the impression that reading is a chore that is imposed on him.

He might choose the same types of books over and over again. He might choose books that are gross, or humour that is edgy. This, too, is perfectly normal.

Try to remember that he is exposed to these types of things in the media all the time, and that he can deal with such things better in the context of a book.

Read with him

Reading is hard for many boys, but stories are still appealing. Share the reading, so he only has to do half the work. If the reading is too hard but the story is too good, just read it to him. Listening to things being read encourages boys to read well.

Model good reading

Even when you are not reading with your son, make sure he sees you read.

Men, especially, have been trained to read in isolation. Break the cycle! Read in front of boys, yours or anyone else's.

Show respect for mental activities

Reading is just part of a rich life of the mind. Show the same respect for that world as you do for the physical world.

Involve yourself and your son in library and school activities, chess and other challenging mental games, crossword puzzles and the like.

The mind needs to be exercised, just like muscles.

Morrisby Test for Year 9 Students

On 11 May all Year 9 students will be undertaking the Morrisby Test in their Excel classes. This will occur during periods 1 to 3. Excel classes will then run as normal for the remainder of the day.

The Morrisby Test uses a combination of psychometric assessments and questionnaires to give students an idea of where their strengths and preferences lie.

After analysing students results, the test offers impartial recommendations for careers and subjects that match students' abilities and interests.

It is a great opportunity for students at Parade College to undertake this test in Year 9 and Liz Bult and Justine Barnes will be available to meet with students to help them understand their results and assist them with subject selections for Year 10.

Please feel free to contact Liz or Justine with any questions you may have about the Morrisby Test.

Year 12 Careers Meetings

The Careers team have been busy meeting with Year 12 students throughout Term 1.

We encourage all Year 12 students to make an appointment time as soon as possible to discuss their future pathways for 2023.

University Open Days

University Open Days are beginning to be advertised and these will be publicised on the school portal for students. Open Days are a great way to for students to experience the University or TAFE in person and meet with current students and staff to discuss courses and view the facilities.

Careers staff are available to assist students with university application forms, Early Entry programs and with any

questions that students have relating to further study or employment in 2023.

Year 10 Work Experience

All Year 10 students will be participating in Work Experience from 14 to 18 November.

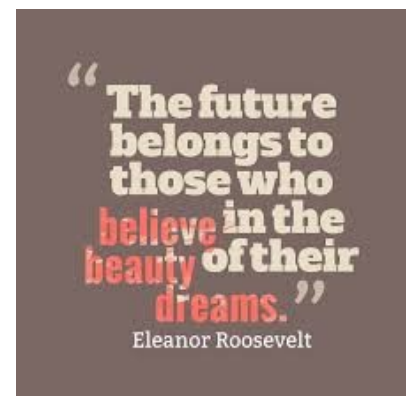

It is important that students are in the process of considering areas of employment that they are interested in and then contacting employers/businesses to secure their placement.

Work Experience provides students with an opportunity to relate school studies with a workplace and it prepares students for the demands and expectations of the working world.

The official forms for work experience are in the Careers Office, next to MQ28 (Year 12 study hall), and Year 10 students can collect these at any time.

If you have any questions regarding Work Experience, please feel free to contact the Careers team.
